An American Memoir test everything they have come to believe about love and loss about race and identity about ambition and the sometimes contradictory consequences of achievement **The Snowflakes' Revolt** Amber Athey,2023-03-21 The snowflake generation of college students didn't simply melt away as expected but rather entered the workforce and hijacked mainstream media using campus mob intimidation tactics to push America further to the left than ever before Step onto a college campus attend a street protest flip to a legacy news network tune in to a White House press briefing and you're likely to come down with a bad case of déjà vu The media composed almost entirely of liberal elites along with the Democratic Party and its activists have long worked in tandem to make their ideas palatable to the public But the media's reliance on the left for relevance had an unwanted side effect it's been forced to genuflect to the most radical and most obnoxious and unfortunately very influential activists Over the past decade the zealous individuals once derided as college snowflakes by the right have taken over key cultural institutions pushing the national conversation further to the left than ever before These individuals have cohered into a potent clique that has employed campus mob tactics to orchestrate revolutions and purges at the New York Times major publishing companies and mega corporations in Silicon Valley and beyond Low level staffers transform into Slacktivists organizing protests through their company social media channels and WhatsApp group chats eventually collecting enough digital signatures to wrestle management into submission Amber Athey has witnessed it all come to fruition She was the most vocal conservative at Georgetown University when academic freedom was first being suffocated by safe spaces and trigger warnings After graduation she covered liberal bias at colleges across the country binged endless hours of cable news each day as a media reporter and most recently embedded with the White House press corps as a correspondent Part memoir part investigation and part prescription this book will expose how modern media influences the American public with the coordinated assistance of left wing politicians think tanks special interest groups and experts Finally **The Snowflakes Revolt** will argue that the introduction of petulant radicals to this already volatile concoction will only accelerate the media's collapse "Earnest Willie," Or, Echoes from a Recluse William David Upshaw,1899

**Things I Overheard While Talking to Myself** Alan Alda,2007-09-04 An insightful and funny look at some of the impossible questions Alan Alda has asked himself over the years What do I value What exactly is the good life And what does that even mean Picking up where his bestselling memoir left off having been saved by emergency surgery after nearly dying on a mountaintop in Chile Alda finds himself not only glad to be alive but searching for a way to squeeze the most juice out of his new life Looking for a sense of meaning that would make this extra time count he listens in on things he's heard himself saying in private and in public at critical points in his life from the turbulence of the sixties to his first Broadway show to the birth of his children to the ache of September 11 and beyond Reflecting on the transitions in his life and in all our lives he notices that doorways are where the truth is told and wonders if there's one thing art activism family money fame that could lead to a life of meaning In a book that is candid wise and as questioning as it is incisive Alda amuses and moves us with his

unique and hilarious meditations on questions great and small Things I Overheard While Talking to Myself is another superb Alan Alda performance as inspiring and entertaining as the man himself Praise for Things I Overheard While Talking to Myself Engagingly thoughtful and thought provoking Alan Alda candidly shares many stories of his life so easily and wittily you can hear him speak as you read Sydney Sun Herald Alda is chatty easygoing and humble rather like a Mr Rogers for grownups His words of inspiration would be a perfect gift for a college grad or for anyone facing major life changes Publishers Weekly starred review Smart engaged funny and observant San Antonio Express News Wonderful, Terrible Things Stephen Robb,2019-07-24 The good news for Rory Sullivan is he gets to spend time with his college friends from the 80s The bad news is he gets to spend time with his college friends from the 80s Paramount Pictures wants to release a special director s cut of an iconic film from 1982 The only thing they need is the three reels of film stolen from the shooting location allegedly by one of the film s interns Rory s offered 50 000 to track down the interns his old friends and find the film but the search leads to shady politics tawdry sex a short stint in prison murder kidnapping and big hair It s like the 80s all over again **The Christian Work and the Evangelist** ,1904 *The Industrial Student* ,1925
