

A close-up photograph of a blue snake with a red eye, coiled on a textured surface. The snake's body is covered in small, overlapping scales that catch the light, giving it a shimmering appearance. The red eye is prominent and detailed, with a black pupil and a small white reflection. The snake's head is visible in the lower right corner, showing its snout and nostrils. The background is a soft, out-of-focus blue and green, suggesting a natural habitat.
