House of Clerical and Lay Deputies,1871 *The Pastor's Sandal Path* Father Henry C. Schmid,2010-04-16 The Pastors Sandal Path relates my envisioning of God in nature I was privileged to grow up with my sister and five brothers on a farm where our parents instilled in us the presence of God in our daily lives as well as in the majesty of Gods nature My early schooling took place in a one room country school where our fantastic teacher incorporated the beauty of God and nature in the classroom and on field trips In the upper grades the Dominican sisters assisted my parents in laying a solid faith foundation After graduation I entered St Mary of the Lake Seminary Mundelein where my faith was deepened my love of Jesus increased and Gods presence in nature more keenly perceived I hope my perceptions of God in nature will help the reader to encounter God in their ordinary experiences of life [Mayan Voices for Human Rights](#) Christine Kovic,2013-08-26 In the last decades of the twentieth century thousands of Mayas were expelled often violently from their homes in San Juan Chamula and other highland communities in Chiapas Mexico by fellow Mayas allied with the ruling Institutional Revolutionary Party PRI State and federal authorities generally turned a blind eye to these human rights abuses downplaying them as local conflicts over religious conversion and defense of cultural traditions The expelled have

organized themselves to fight not only for religious rights but also for political and economic justice based on a broad understanding of human rights This pioneering ethnography tells the intertwined stories of the new communities formed by the Mayan exiles and their ongoing efforts to define and defend their human rights Focusing on a community of Mayan Catholics the book describes the process by which the progressive Diocese of San Crist bal and Bishop Samuel Ruiz Garc a became powerful allies for indigenous people in the promotion and defense of human rights Drawing on the words and insights of displaced Mayas she interviewed throughout the 1990s Christine Kovic reveals how the exiles have created new communities and lifeways based on a shared sense of faith even between Catholics and Protestants and their own concept of human rights and dignity She also uncovers the underlying political and economic factors that drove the expulsions and shows how the Mayas who were expelled for not being traditional enough are in fact basing their new communities on traditional values of duty and reciprocity Cassell's Illustrated Family Paper ,1862
