Owned Joshua A. T. Fairfield, 2017-07-10 In this compelling examination of the intersection of smart technology and the law Joshua A T Fairfield explains the crisis of digital ownership how and why we no longer control our smartphones or software enable devices which are effectively owned by software and content companies In two years we will not own our smart televisions which will also be used by advertisers to listen in to our living rooms In the coming decade if we do not take back our ownership rights the same will be said of our self driving cars and software enabled homes We risk becoming digital peasants owned by software and advertising companies not to mention overreaching governments Owned should be read by anyone wanting to know more about the loss of our property rights the implications for our privacy rights and how we can regain control of both

Icefall John All, John Balzar, 2017-03-14 John All has survived encounters with black mamba snakes run ins with wild jungle animals and a brush with death in an icy tomb No one knows the outer limits of our changing planet quite like him In May 2014 the mountaineer and scientist John All plunged into a crevasse in the Himalayas a fall that all but killed him He recorded a series of dramatic videos as he struggled to climb seven stories back up to the surface with a severely dislocated shoulder internal bleeding a battered face covered in blood and fifteen broken bones including six cracked vertebrae The videos became a viral sensation an urgent and gripping dispatch from one of the least known extremes of the planet Yet this climb for his life is only the latest of John All s adventures in some of Earth s most hostile climates He has also been chased by a wild hyena scaled Everest and narrowly missed being hit by an avalanche all in pursuit of his true calling the study of how we can master the challenge of our world s changing climate Icefall is a thrilling adventure story and a report from the extremes of the planet taking you to collapsing Andean glaciers hidden jungles in Honduras and the highest points on Earth In this gripping account

our changing climate is not a matter of politics it s a matter of life and death and the human will to survive and thrive in the face of it iPhoto Dion Scoppettuolo,2014 With Apple Training Series iPhoto the only Apple certified guide to iPhoto you will be seamlessly organizing and editing your photos in no time Using real life material and practical lessons that you can apply immediately to your own images this book media combo offers a complete self paced course in all aspects of iPhoto Focused lessons take you step by step through Setting up your library Arranging photos by faces and places Quick fixes and effects Designing a photo book Creating a slideshow Sharing photos and more Whether working with Mac OS or iOS readers will master iPhoto tools quickly through fun real world image projects and share their shots through social media and iCloud This self paced learning tool pairs an easy accessible style with ample illustrations and keyboard shortcuts to guarantee that readers become proficient with iPhoto in no time
