to define the formula for realizing Visionary status Although I have found no one brand is truly the ultimate Visionary many are close and you discover why these great brands are missing one or many ingredients to becoming truly Visionary What makes a brand truly Visionary Product Innovation Culture Marketing It is a harmonious blending of product marketing and passionate culture Along with a visionary who establishes and commits themselves and the brand to ageless foundational principles What formula has sustained iconic brands such as Apple Nike Adidas and allowed them to maintain their vision and brand ETHOS for generations How does one brand lose its premium status while others thrive from generation to generation The Visionary Brand explores the core of these generational companies and how they have evolved to become visionaries This definitive guide to preserving authentic success through identifying protecting and nurturing the brand s core foundational principles will be a timeless leadership resource Both professionally and personally serving a purpose from start up through established category leaders Most brands at some point lose sight of their vision or have not established their brand core ETHOS The Visionary Brand will revitalize those who are not yet evangelizing their brand s values and principles along with guiding those who have yet to define their foundation To succeed you must understand who you are what value you are providing where you are positioning and how to engage with your loyal community and brand team From aspirational real life scenarios to inspirational guidance The Visionary Brand will provide ongoing support to successfully drive your brand forward The Visionary Brand outlines the independent elements to emulating and successfully executing this foundational strategy Define your vision and build a Foundational Principles platform Stick to your vision while capturing global market share from your competitors Create a continuous Pipeline of Innovation Establish a Culture of Passionate followers Engage and build Loyalty Embrace the changing tide of the new age adoption curve Be an Artist be yourself and instill the courage to accomplish your Vision There may be Visionary brands but no one company exists as The Visionary Brand while some have most none have all I sincerely hope you enjoy the book and find its content useful in your Journey to becoming Visionary Sincerely Bryan Smeltzer Author The Visionary Brand
