

INVITATION LETTER TO PROSPECTIVE BOARD MEMBERS (Example only)

Date _____

Dear _____,

In June of this year, (Agency) will be electing several new members to our Board of Directors.

We are looking for board members who believe in our mission and are willing to be active in their governance roles. We believe that this work has never been more important than it is today. Your name has been submitted to our Board Development Committee as someone whose experience and involvement in the community would be an asset to our organization, and we hope that you will consider becoming a nominee.

(Agency) is entering a challenging and exciting time, as economic pressures on our customers increase and the demand for our services continues to rise. We have a tradition of high quality service provision and activism related to the economic security and community engagement of our customers, and we invite you to become part of our team.

As a federally designated Community Action Agency, our Board of Directors seeks representatives from the public, private and low income sectors, and your name has been submitted to the Board Development Committee as a potential board candidate representing the _____ sector. ****specific language inserted here to describe the process by which representatives from each sector become nominees*

I have enclosed a copy of our board member job description. Copies of our committee descriptions are also enclosed, as we do expect that, once elected, our board members will participate in at least one committee. While we do ask that our board members play an active role, we pride ourselves on supporting each other as a team and believe that we offer an opportunity for our members to learn and grow with the organization.

A member of our Board Development Committee, _____, will be contacting you by phone to discuss our invitation and to answer any questions you may have. If, once you have spoken to _____, you wish to be considered, we ask that you complete our brief response form (enclosed).

If you have any questions, please don't hesitate to contact me directly at _____, or our Executive Director at _____.

Sincerely,
President
Board of Directors, (Agency)

Governing for Results Mel D. Gill, 2007-08-13 BEST SELLER This BEST SELLING book provides a comprehensive guide to effective governance for board members and their senior executives The author offers a new framework for understanding boards and proposes practices that boards can use to fulfill their stewardship responsibilities strengthen board performance and improve organizational effectiveness The book discusses the basics of governance what it is and why it matters essential duties and liabilities of the board and its members and the essentials of an effective board management partnership It provides detailed guidance on the seven primary areas of board responsibility i mission and planning ii financial stewardship iii human resources stewardship iv performance monitoring and accountability v community representation and advocacy vi risk management and vii managing critical events and transitional phases It discusses the legal structure of nonprofits who owns them and how to organize for accountable governance Governing for Results will assist boards in dealing with recurring issues around board and committee structures their terms of reference and effective use and job descriptions for key officers The discussion of board development board management decision making and organizational culture will prove invaluable in helping many boards deal with these complex issues A discussion of the essential principles of governing for results includes a logical framework for planning and evaluation The book provides tools that can help boards decide which governance practices will best fit their particular organization and strengthen their performance as a governing body It outlines the factors that may interfere

with a board's ability to adopt appropriate governance practices and presents twelve keys to successful governance that were identified through research. It offers a sample letter of agreement for new board members and samples of an agenda for board meetings, an oath of confidentiality, a values statement, conflict of interest and donor confidentiality policies, a template for financial monitoring, self-assessment tools for the board and individual directors, and a basic guide to Rules of Order for conduct of meetings. It also provides outlines for comprehensive bylaws and governance policies and references to additional resources. Although this book is intended to fill a gap in the resources available to volunteer members of nonprofit boards of directors, much of its guidance will also be useful for directors of public and private sector corporations. The strong research base underpinning this work also makes it of interest to researchers, academics, and consultants. It adds perspective to the debate about governance models and offers guidance to board members with respect to board structure, responsibilities, governance practices, and problems that commonly afflict boards. It is designed as a user-friendly guide for busy directors and executives who want concise, compact, and well-researched answers to perennially troubling questions about governance, the role of boards, and their relationship to staff.

Connecting the Quality of Life Theory to Health, Well-being and Education Alex C. Michalos, 2017-06-14 This volume connects aspects of personal health, overall well-being, and education to quality of life. It includes discussions of Galen's and Harvey's views of the movement of blood in human bodies and differences in the research traditions of social indicators research and health-related quality of life research. It examines determinants of health and quality of life in a variety of populations, including the residents of the Bella Coola Valley of British Columbia, aboriginal residential school survivors in Canada, and diabetics versus non-diabetics. It describes relations between health survey and patients' medical chart reviews, the health and quality of life of older people, and the difference between good health and a good life. Other topics explored are student quality of life, comparisons of the quality of life of students, aboriginal and unemployed people, the impact of education on happiness and well-being, and liberal education. In addition, the volume presents Einstein's views of ethics and science and unacknowledged authorship in scholarly publications. The final chapter gives a historical review of quality of life research in Canada over the past fifty years.

Leadership, Mission, and Governance Cinnamon Catlin-Legutko, Stacy Klingler, 2011-11-16 Small museums face the same challenges as large museums: on a tighter budget and with fewer resources. Navigating these obstacles requires strong leadership and effective governance. The creation and use of planning documents and a clear mission and vision are essential to pursuing the long-term health of an organization. This book features concise, grounded approaches to finding and articulating the mission and vision of a small museum. Because a few tools have been invaluable to small museum leaders, the book also highlights the MAP and CAP assessment process, accreditation, and provides an overview of the StEPs program.
