House Beautiful ,1922      Women and Video Game Modding Bridget Whelan,Matthew Wilhelm Kapell,2020-02-07 The world of video games has long revolved around a subset of its player base straight white males aged 18 25 Highly gendered marketing in the late 1990s and early 2000s widened the gap between this perceived base and the actual diverse group who buy video games Despite reports from the Entertainment Software Association that nearly half of gamers identify as female many developers continue to produce content reflecting this imaginary audience Many female gamers are in turn modifying the games Modders alter the appearance of characters rewrite scenes and epilogues enhance or add love scenes and create fairy tale happy endings This is a collection of new essays on the phenomenon of women and modding focusing on such titles as Skyrim Dragon Age Mass Effect and The Sims Topics include the relationship between modders and developers the history of modding and the relationship between modding and disability race sexuality and gender identity      Advanced Earth-to-orbit Propulsion Technology 1994 R. J. Richmond,Shi-Tsan Wu,1994      *Pragmatics of Accents* Gaëlle Planchenault,Livia Poljak,2021-10-15 What impact do accents have on our lives as we interact with one another Are accents more than simple sets of phonetic features that allow us to differentiate from one dialect variety or style to the other What power relationships are at work when we speak with what those around us perceive as an accent In the 12 chapters of this volume an international group of sociolinguists applied linguists anthropologists and scholars in media studies develop an innovative approach that we describe as the pragmatics of accents In this volume we present a variety of languages and go beyond the traditional structural description of accents From ideologies in national contexts to L2 education to accent discrimination in the media and the workplace this volume embraces a new perspective that focuses on the use of accents as symbolic resources and emphasizes the importance of context in the human experience of accents
