Memorandum For 2013 June Exam:

The People of the State of Illinois V. Veach ,2016

Enter the Alternative School Alia R. Tyner-Mullings,2015-11-17

Enter the Alternative School is an in depth examination of public school alternatives to traditional educational models in the US This book analyses how urban education can respond to a system growing increasingly standardised and privatised As an example Central Park East Secondary School CPESS a public alternative schooling model successfully served predominantly low income and minority students It also changed the New York City public school system while promoting methods that allowed educational institutions to make changes in the lives of their students Written by a sociologist who was both a student at CPESS and a teacher at a school developed from the CPESS model the book analyses education from a range of vantage points assesses outcomes and invites readers to consider the potential of alternative educational models to address the challenges of reforms that attempt to provide quality education to the low income and minority students otherwise under served by public schools
