Forever England The Life Of Rupert Brooke:

Forever England Mike Read, 2015-01-15 Rupert Brooke strikingly good looking effortlessly charming and prodigiously gifted has become the tragic embodiment of the generation lost between 1914 and 1918 Upon the poet's tragic untimely death Winston Churchill declared that we shall never see his like again yet Brooke immortalised himself in his own poignant verse If I should die think only this of me That there s some corner of a foreign field that is forever England Brooke died serving king and country on the anniversary of Shakespeare's birth St George's Day 1915 en route to fight at Gallipoli As the tributes poured in and the war gathered momentum the press heralded him as a hero a focal point for the nation s grief Already an acclaimed poet and dramatist in his youth his romantic war poetry contrasts starkly with the work of some of his more disillusioned contemporaries But the private letters of the handsomest man in all of England reveal a far more troubled and often misunderstood individual In this updated edition of Forever England Mike Read founder of the Rupert Brooke Society explores the poet's fascinating life and legacy From a tangled web of secret affairs literary circles mental illness and a previously unknown lovechild emerges the intriguing personality and enduring poetry of Rupert Brooke the voice of a A Study Guide for Rupert Brooke's "The Soldier" Gale, Cengage Learning, 2016 A Study Guide country torn apart by war for Rupert Brooke's The Soldier excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs Nabokov and His Fiction Julian W. Connolly, 1999-08-05 Published in 1999 to mark the centenary of Vladimir Nabokov s birth this volume brings together the work of eleven of the world's foremost Nabokov scholars offering perspectives on the writer and his fiction Their essays cover a broad range of topics and approaches from close readings of major texts including Speak Memory and Pale Fire to penetrating discussions of the significant relationship between Nabokov s personal beliefs and experiences and his art Several of the essays attempt to uncover the artistic principles that underlie the author's literary creations while others seek to place Nabokov s work in a variety of literary and cultural contexts Among these essays are a first glimpse at a little known work The Tragedy of Mr Morn as well as a perspective on Nabokov s most famous novel Lolita The volume as a whole offers valuable insight into Nabokov scholarship The Persistence of Evil Fintan Lyons O.S.B., 2023-08-24 Recording the history of the belief in the existence of Satan this book draws from the Bible the poetry of Dante and Milton the legend of Faust and from modern novels and plays such as the works of Mark Twain and G B Shaw and the spiritual writing of C S Lewis Fintan Lyons O S B chronicles the decline of that belief through the centuries as well as the attempts to treat the problem of evil philosophically using the insights of thinkers such as Karl Barth At the heart of this book is the attempt to synthesise or reconcile traditional belief with contemporary concern or even alarm regarding evil in the world Lyons argues that evidence for the persistence of evil has been striking in modern times in wars and atrocities while phenomena such as

Satanic Cults and possible or real diabolical possession have continued to increase The Catholic Church reacted to this situation in 1998 with a revision of the 1614 Rite of Exorcism analysed in this book from both theological and psychological standpoints By arguing that the transition from belief in Satan to personification of evil in historical regimes and characters brings contemporary culture into sharp focus this book chronicles the history of humanity s attempt to understand the disturbing and mysterious reality of evil Richard Aldington Vivien Whelpton, 2019-01-01 The story of Richard Aldington outstanding Imagist poet and author of the bestselling war novel Death of a Hero 1929 takes place against the backdrop of some of the most turbulent and creative years of the twentieth century Vivien Whelpton provides a remarkably detailed and sensitive portrayal of the writer from early adolescence His life as a stalwart of the pre war London literary scene as a soldier and in the difficult aftermath of the First World War is deftly rendered through a careful and detailed analysis of the novels poems and letters of the writer himself and his close circle of acquaintance The complexities of London's Bohemia with its scandalous relationships social grandstanding and incredible creative output are masterfully untangled and the spotlight placed firmly on the talented group of poets christened by Ezra Pound as Imagistes The author demonstrates profound psychological insight into Aldington's character and childhood in her nuanced analysis of his post war survivor's quilt and consideration of the three most influential women in his life his wife the gifted American poet H D Dorothy Yorke the woman he left her for and Brigit Patmore his brilliant and fascinating older mistress Richard Aldington Poet Soldier and Lover vividly reveals Aldington's warm and passionate nature and the vitality which characterised his life and works concluding with his triumphant personal and literary resurrection with the publication of Death of a Hero **Forever England** Jonathan Rutherford, 1997 Subtitle on spine and cover reads Reflections on masculinity and empire As We Were David Hargreaves, 2021-03-25 Fought between 1914 and 1918 World War One The Great War was the most titanic and devastating conflict the world had yet seen Detailing the course of the war week by week and the intimate accounts and experiences of soldiers and civilians alike As We Were offers insight like no other into a war that impacted generations the world over

Biofiction and Writers' Afterlives Bethany Layne,2020-06-25 The twelve essays collected in this work explore the afterlives of nineteenth and twentieth century writers in biographical fiction or biofiction and its sister genre the biopic The essays situate these genres in relation to their generic cultural and ideological contexts and are organised into four groups. The first locates the origins of biofiction in the historical novel and in Modernist experiments in life writing while the second consists of case studies of biofiction about writers from the long nineteenth century Charlotte Bront Henry James Constance. Fenimore Woolson and Rupert Brooke A guest essay by novelist Maggie Gee opens the third group which analyses the fertile sub genre of biographical novels about Woolf while the fourth and final part of the book concerns the related genre of the biopic The volume is comprised entirely of original commissions whose authors include postgraduate students practitioners and specialists in biographical writing It will appeal to undergraduates and postgraduates on life writing and contemporary

literature modules as well as fans of the featured biographical novelists and their subjects Into the Silence Wade Davis, 2011-10-18 The definitive story of the British adventurers who survived the trenches of World War I and went on to risk their lives climbing Mount Everest On June 6 1924 two men set out from a camp perched at 23 000 feet on an ice ledge just below the lip of Everest's North Col George Mallory thirty seven was Britain's finest climber Sandy Irvine was a twenty two year old Oxford scholar with little previous mountaineering experience Neither of them returned Drawing on more than a decade of prodigious research bestselling author and explorer Wade Davis vividly re creates the heroic efforts of Mallory and his fellow climbers setting their significant achievements in sweeping historical context from Britain's nineteen century imperial ambitions to the war that shaped Mallory's generation Theirs was a country broken and the Everest expeditions emerged as a powerful symbol of national redemption and hope In Davis s rich exploration he creates a timeless portrait of these remarkable men and their extraordinary times Cambridge Poets of the Great War Michael Copp, 2001 This anthology contains 155 poems by forty nine poets all of whom have connections with Cambridge University The poems have been selected to represent a comprehensive range of responses patriotic protest satirical realistic elegiac pastoral and homoerotic The introduction provides analytical notes on all the poems Three appendixes discuss Charles Sorlev s comments on Rupert Brooke Siegfried Sassoon's statement of protest and A E Tomlinson's scathing attack on Brooke Soulmates from the Pages of History Jack Adler, 2013 Writer Jack Adler describes 75 famous friendships throughout history from mythical to contemporary times Along the way the lives and personalities of artists politicians philosophers soldiers and outlaws are outlined including some personal details that may not be well known Presenting sketches of individuals like Julius Caesar and Mark Anthony Adam Smith and David Hume Charles Baudelaire and Edouard Manet David Henry Thoreau and Ralph Waldo Emerson Susan Anthony and Elizabeth Stanton Sergei Rachmaninoff and Vladimir Horowitz even Al Capone and Johnny Torrio the author shows how contrasting as well as comparable personalities characters and temperaments can support and strengthen each other and he explores the range of ties that may influence a person during one phase of life or may become the center of one s life altogether The book examines the peculiar power of the bonds of friendship and provides illuminating details on how major friendships throughout history emerged and developed or fell apart Each friendship and the respective personalities of the pairings or groups is carefully placed in the context of its historical period The material is accurate and written in an easy to read style Illustrations of the personalities and many of their quotes embellish the text

The Idea of a Colony Edward Marx,2004-01-01 To the psychological scene of the primitive exotic poem and its reception which is explored through substantial archival research Marx brings an array of approaches including the theories of Freud Jung Lacan Said Foucault Bhabha Fanon and others **Blue-Water Empire** Robert Holland,2012-01-26 Blue Water Empire is Robert Holland s magnificent narrative of Britain s military and cultural ties with the Mediterranean Sea in the style of the epic naval histories of N A M Rodger Britain has been a major presence in the Mediterranean from the Battle

of the Nile to the end of empire as both a military and a colonising force on the islands and coastlines of the sea Robert Holland traces the fascinating story of that presence from its legacies in culture language and law to the Mediterranean s own influence on Britain Evoking the conflicts and contrasts between British and local societies caught up in dramatic events as well as their mutual resilience under pressure Blue Water Empire charts with vigour flair and clarity the British experience in the Mediterranean in the age of empire Reviews An important corrective to current historical amnesia the definitive account of Anglo Mediterranean history for years to come Amanda Foreman New Statesman A rich and readable account of the British in the Middle Sea As Holland's learned lucid and enjoyable work makes clear many British politicians saw the Mediterranean as the pre eminent global strategic arena representing the key to victory in Europe and Asia Dominic Sandbrook Sunday Times This is an important subject and it has never before been drawn together into a single coherent narrative Blue Water Empire puts the land not the sea at the heart of the story Literary Review Robert Holland s masterly history of the Mediterranean is a pleasure to read Blue Water Empire shows how Britain's mastery of the Middle Sea shaped the modern world whilst reminding us how profoundly the Mediterranean has influenced the British Simon Ball author of The Bitter Sea The Struggle for Mastery in the Mediterranean 1935 1949 Lively and absorbing Philip Mansel Spectator About the author Robert Holland is one of the world's leading historians of the Mediterranean and the author of Britain and the Revolt in Cyprus 1954 59 and with Diana Markides The British and the Hellenes Struggles for Mastery in the Eastern Mediterranean 1850 1960 He holds professorial positions at the Centre for Hellenic Studies in King's College London and the Institute of Commonwealth Studies in the same University Directory of Museums, Galleries and Buildings of Historic Interest in the UK Keith W. Reynard, 2004-03-01 This unique and important directory incorporates some 3 200 entries It covers all types and sizes of museums galleries of paintings sculpture and photography and buildings and sites of particular historic interest It also provides an extensive index listing over 3 200 subjects The directory covers national collections and major buildings but also the more unusual less well known and local exhibits and sites The Directory of Museums Galleries and Buildings of Historic Interest in the United Kingdom is an indispensable reference source for any library an ideal companion for researcher and enthusiast alike and an essential purchase for anyone with an interest in the cultural and historical collections of the UK Features include Alphabetically listed entries which are also indexed by subject for ease of reference Entries include the name and address of the organization telephone and fax numbers email and internet addresses a point of contact times of opening and facilities for visitors A breakdown of the collections held by each organization giving a broad overview of the main collection as a whole Details of special collections are provided and include the period covered as well as the number of items held **English Literature** Martin Stephen, 2013-10-30 Now appearing in its third edition Martin Stephen's classic text and course companion to English literature has been thoroughly revised and updated taking account of the changes which have occurred in the subject since publication of the second edition On Dangerous Ground

Bruce Scates, 2012 In 1915 Lt Roy Irwin goes missing at Gallipoli The young woman who loves him and the men who fought beside him begin their search In 1919 historian CEW Bean returns to Anzac Cove with artist George Lambert and soldier Harry Vickers to solve the greatest mystery of the campaign to discover Gallipolis secret Forward to 2015 and Dr Mark Troys quest to preserve the peninsula from roadworks is sidetracked by political intervention and diplomatic intrigue But a flirtation with a dynamic young woman from Army Intelligence uncovers long forgotten documents protecting Gallipolis graves Eagerly awaited one of Australias leading historians uses fact and fiction to recreate the most dramatic moments of the Gallipoli campaign On Dangerous Ground is fast paced accurate and thrilling a retelling of one of the weightiest moments of the twentieth century **Seize the Day** Mike Read, 2014-09-30 A fascinating romp through the life of a broadcasting legend Mike Read's autobiography offers an exciting insight into his three decades in showbiz From ventures in radio television and music to tales of sport romance and the royals Mike writes with candour and humour in equal measure including tangential stories of famous friends near death experiences and extraordinary happenings along the way Recounting his stints as a Radio One DJ on the Breakfast Show a prime time television presenter on Pop Quiz a co founder of The Guinness Book of British Hit Singles and a jungle star on I m a Celebrity Get Me Out of Here this high energy journey encapsulates all aspects of the celebrity s vast and varied career Mike has seized every opportunity whether in pop poetry or politics and continues to entertain audiences as a presenter on several major national radio networks A story packed with scintillating anecdotes witty observations and nostalgic recollections this is an autobiography that hits all the right notes

Rugbeians in the Great War Daniel J. McLean, 2020-02-08 The courage and sacrifices during World War I of the students who attended the influential boarding school best known for the sport that bears its name Few schools can claim to have had such a deep and diverse effect on British history as Rugby Its influence on the sporting field is well known but this book examines the roles played by Rugbeians in many different spheres during the Great War Politicians and academics Olympians and artists all left their ordinary lives to fight for their country and it was their school which bound them together Some such as Ernest Swinton inventor of the tank and Maurice Hankey Cabinet Secretary had direct influence on the shaping of the conflict whereas others such as Duncan Mackinnon Olympic gold medal winning rower and the Cawley brothers both Members of Parliament are remembered primarily for their pre war achievements Until now there has never been a volume which traces the extent of Rugby s influence but this book showcases the extraordinary range of individuals from the school who left their mark on the war and the world at large I would say that the author has gone to great concentration and written an excellent and very detailed book There is no other thing to do but to recommend this book a really excellent book The UK Historian The Madness of Courage Tony Insall, 2025-01-09 Group Captain Gilbert Insall holds a unique record he is the only person to have both won a Victoria Cross and escaped successfully from a German prisoner of war camp during the First World War The Madness of Courage describes how when forced down by engine

damage after destroying a German fighter Gilbert ignored intensive shelling in order to repair his aircraft and return to base But a few weeks later he was shot down and captured And thus began a distinguished career in prison breaking He tunnelled out of Heidelberg prison camp and later hid among boxes on a horse drawn cart to get away from Crefeld each time being recaptured Then in Str hen Gilbert and several companions concealed themselves in a claustrophobically small space they had excavated under the floor of the bathhouse They remained there for seventeen hours while a fruitless search for them was carried out and eventually emerged and successfully reached Holland Meticulously told by Gilbert's great nephew the critically acclaimed intelligence historian Tony Insall The Madness of Courage is a gripping true story about a remarkable man at a time before the Geneva Convention was signed when conditions for prisoners of war were often appalling and the British War Office did little to help prisoners escape Instead Gilbert's family assisted by French intelligence gave him the support he needed to break out of captivity in an extraordinary feat of bravery resilience and ingenuity
