Kelley,2020-01-14 About 20 years ago when I started taking my walk very seriously having realized the gravity of the situation I was bothered by the fact that so many different doctrines dogmas or views were being taught or preached from One Book The HOLY BIBLE It seemed to me that One Book The inerrant word of God should have only one message It seemed obvious that many views had to be in error And that's what started me on this quest to find out for myself which views were right and which were wrong I became in effect a Berean one who makes sure by studying scripture that what is being preached is true or not Of course there are several other views out there deserving of a closer look but if you have any doubts about what is being preached in your church do what I did Take your own closer look **You Are in Charge** Wee Dilts, You Are in Charge Would you like to take charge of your life Here's an amazing How to Book on taking charge of your life Your chance to learn How to take and How to stay in Charge Good news It's easy It's doable and it is so rewarding

College,1882 **Love's Forgiveness** John Lippitt,2020-09-25 Love s Forgiveness combines a discussion of the nature and ethics of forgiveness with a discussion inspired by Kierkegaard of the implications of considering interpersonal forgiveness as a work of love It introduces the reader to some key questions that have exercised recent philosophers of forgiveness discussing the relationship between forgiveness and an extended notion of resentment considering whether forgiveness should be conditional or unconditional showcasing a particular understanding of the latter and arguing that there are legitimate forms of third party forgiveness It then introduces the idea of forgiveness as a work of love through a discussion of

Kierkegaard key New Testament passages on forgiveness and some contemporary work on the philosophy of love Drawing on both philosophy and the New Testament it offers an understanding of forgiveness that incorporates both agapic love and a proper concern for justice John Lippitt explores religious and secular uses of key metaphors for forgiveness and the idea of forgivingness as a character trait suggesting that seeking to correct for various cognitive biases is key to the development of such a virtue and connecting it to other putative virtues such as humility and hope Lippitt draws on both Kierkegaard s discourse literature and contemporary philosophical work on these latter characteristics before turning to a discussion of the nature of self forgiveness Throughout the book the philosophical and theological literature is rooted in a discussion of various forgiveness narratives including Helen Prejean s *Dead Man Walking* Thordis Elva and Tom Stranger s *South of Forgiveness* and Ian McEwan s *Atonement* *The Goddess and the Shaman* J. A.
