Undeniable (Book 3, The Wolf Kings of Twilight) S, J. West, 2024-04-27 Ivy We all knew the Barrens would be difficult to travel through but I didn't expect our worst adversaries to be the fae Their trials to judge the worthiness of humanity have begun but what exactly are they testing Will we even know when one has started Dangers lurk around every corner Will everyone survive this misadventure Nothing is guaranteed to work in our favor especially when your fate is in the hands of the fae All I want is to live a peaceful life with Damon whether it's in Midnight or the real world Is that too much to ask Emily My family's future hinges on the talents of a disgraced geomancer and humanity's good judgment What could possibly go wrong With both Jack and Ivy trapped inside Earth 104 I pray the humans successfully complete their trials I will do whatever it takes to bring my loved ones into the real world even if that means marrying the dark fae king Oberon is my best chance to take leadership of all fae away from my father His sadistic reign has to be brought to an end for the sake of everyone fae and human He won't give up his power easily We'll have to play on his weakness his own arrogance Oberon protests that fate has brought us together and that he's the love I've been waiting a lifetime for Can he help me push past my undying love for Mark once and for all It seems impossible In fact I fear it will take a miracle If Oberon and I can seize control of the crown away from my father I'll know that miracles can and do exist [Moonshade \(Vampire Conclave, Book 1\)](#)
