## **Formation Of The Turkish Nation State 1920 1938:**

**Formation of the Turkish Nation-State, 1920-1938** Yesim Bayar, 2014      **Formation of the Turkish Nation-State, 1920-1938** Yesim Bayar, 2016-10-19 This book is a historical sociological examination of the formulation and institutionalization of Turkish nationhood during the early Republic 1920 1938 Focusing on the language education and citizenship policies advanced during the period it looks at how the Republican elite situated different ethnic linguistic and religious groups      States and Nations, Power and Civility Francesco G. Duina, 2019-01-01 Civility in national and international politics is under siege In this volume twelve distinguished sociologists and historians from North America Europe and China reflect on the nature and preservation of civility in and between nation states and empires in a set of geographically and historically wide ranging chapters Civility protects individual self determination and expression promotes productive economic activity and wealth and is central to political stability and peace within and across political communities Yet power always concentrated and endemic in nation states and imperial settings poses great risks to civility Guided by the perspective of John A Hall who has done more to identify and investigate the intricate relationships between states nations the power they hold and civility than any other contemporary social scientist States and Nations Power and Civility offers a set of crisp in depth investigations regarding the specific mechanisms of civility and how it may be protected      **Recovering Armenia** Lerna Ekmekçioğlu, 2016-01-06 The first in depth study of the aftermath of the 1915 Armenian Genocide and the Armenians who remained in Turkey Following World War I as the victorious Allied powers occupied Ottoman territories Armenian survivors returned to their hometowns optimistic that they might establish an independent Armenia But Turkish resistance prevailed and by 1923 the Allies withdrew the Turkish Republic was established and Armenians were left again to reconstruct their communities within a country that still considered them traitors Lerna Ekmek ioglu investigates how Armenians recovered their identity within these drastically changing political conditions Reading Armenian texts and images produced in Istanbul from the close of WWI through the early 1930s Ekmek ioglu gives voice to the community s most prominent public figures notably Hayganush Mark a renowned activist feminist and editor of the influential journal Hay Gin These public figures articulated an Armenian ness sustained through gendered differences and women came to play a central role preserving traditions memory and the mother tongue within the home But even as women were being celebrated for their traditional roles a strong feminist movement found opportunity for leadership within the community Ultimately the book explores this paradox how someone could be an Armenian and a feminist in post genocide Turkey when through its various laws and regulations the key path for Armenians to maintain their identity was through traditionally gendered roles Praise for Recovering Armenia With verve passion and wit Ekmek ioglu shows how central women were to the restoration of the Armenian community in the decade after the genocidal war Recovering Armenia is a must read for all students of the Great War and its aftermath and for anyone who wants to understand the modern Middle East and the roots of sectarian conflict

that continues in the region today Elizabeth Thompson University of Virginia This remarkably innovative history offers a thorough account of the ways in which Armenian survivors of the genocide committed by Ottoman Turkey inventively reconstituted themselves as a harshly constrained yet enduring national minority within the new Turkish Republic A pioneering work that will prove indispensable Khachig T l lyan Wesleyan University Lerna Ekmek ioglu s radically revealing and provocative book challenges conventional historical wisdom in its exploration of the continued existence of an Armenian minority in modern Turkey Atina Grossmann The Cooper Union

**Insight Turkey 2016 - Winter 2016 (Vol. 18, No. 1)** , Germany who challenged the British and its allies twice in the first half of the 20th century began to reemerge as a global political power and to play the big game in the wake of the Cold War As the strongest economy and the most crowded country in the European Union EU Germany has decided to lead the EU institutions and the old continent in global platforms Especially after the reunification of the country Germany started to dominate European politics With the collapse of the Soviet Union and the end of Cold War politics Germany prompted the European countries to pursue a more independent foreign policy Getting rid of the Soviet threat Germany no longer needs NATO and the U S protection As a result we see a Germany which has initiated a multidimensional and multilateral foreign policy orientation in order to improve its worldwide national interests

**Atatürk** George W. Gawrych, 2023-10-19 Mustafa Kemal Atat rk was one of the most significant political leaders of the twentieth century He rose from obscure origins to become the founder of the new Republic of Turkey out of the ashes of the Ottoman Empire and go on to radically transform Turkish society How should one understand Atat rk and his legacy In this book George Gawrych studies Atat rk s career in detail showing how Atat rk married the traits of the classic military man of action with those of the intellectual theorist and pragmatist as a statesman Gawrych places Atat rk in the context of his times to reveal how he harnessed wider forces to set Turkey on a path of secular nationalism and comprehensive modernization His legacy can be seen everywhere in Turkey today from the role and rights of women in society to the struggle for developing a democracy in the Republic Gawrych addresses the costs of Atat rk s policies including the suppression of minorities and the imposition of a cult of personality and authoritarian rule in the name of Turkification The book presents a nuanced analysis of a complex figure who consciously created a living legacy that still casts a shadow over Turkey s political and intellectual discourse

**Under the Banner of Islam** Gülay Türkmen, 2021-01-22 Sunni Islam has played an ambivalent role in Turkey s Kurdish conflict both as a conflict resolution tool and as a tool of resistance Under the Banner of Islam uses Turkey as a case study to understand how religious ethnic and national identities converge in ethnic conflicts between co religionists G lay T rkmen asks a question that informs the way we understand religiously homogeneous ethnic conflicts today Is it possible for religion to act as a resolution tool in these often violent conflicts In search for answers to this question in Under the Banner of Islam T rkmen journeys into the inner circles of religious elites from different backgrounds non state appointed local Kurdish meles state appointed Kurdish and Turkish imams heads of religious NGOs

and members of religious orders Blending interview data with a detailed historical analysis that goes back as far as the nineteenth century she argues that the strength of Turkish and Kurdish nationalisms the symbiotic relationship between Turkey's religious and political fields the religious elites varying conceptualizations of religious and ethnic identities and the recent political developments in the region particularly in Syria all contribute to the complex role religion plays in the Kurdish conflict in Turkey Under the Banner of Islam is a specific story of religion ethnicity and nationalism in Turkey's Kurdish conflict but it also tracks a broader narrative of how ethnic and religious identities are negotiated when resolving conflicts

**Democracy and Capitalism in Turkey** Devrim Adam Yavuz, 2023-02-23 While a positive correlation between capitalism and democracy has existed in Western Europe and North America the example of late industrializing nations such as Turkey has demonstrated that the two need not always go hand in hand and sometimes the interests of business coincide more firmly with anti democratic forces This book explores the factors that compelled capitalists in Turkey to adopt a more pro democratic ideology by examining a leading Turkish business lobby T SIAD which has been pushing for democratic reform since the 1990s despite representing some of the largest corporation owners in Turkey and having supported the state's authoritarian tendencies in the past such as the military coup of 1980 Drawing on roughly 70 interviews with influential members of T SIAD and individuals close to them the book reveals that business leaders were willing to break away from the state due to the conflict between their evolving economic needs and power with a political elite and state that were unwilling to cater to their demands In so doing the book provides a rich account of business state relations in Turkey as well as providing a case study for the wider study of democracy and capitalism in developing nations

*Populism, Authoritarianism and Necropolitics* Ihsan Yilmaz, Omer Erturk, 2023-02-06 This book examines how Turkey's ruling party the Justice and Development Party AKP under the leadership of Recep Tayyip Erdogan produces and employs necropolitical narratives in order to perpetuate its authoritarian rule In doing so the book argues that as the party transitioned from socially conservative Muslim democratic values to authoritarian Islamism it embraced a necropolitical narrative based on the promotion of martyrdom and of killing and dying for the Turkish nation and Islam as part of their authoritarian legitimization This narrative the book shows is used by the party to legitimise its actions and deflect its failures through the framing of the deaths of Turkish soldiers and civilians which have occurred due to the AKP's political errors as martyrdom events in which loyal servants of the Turkish Republic and God gave their lives in order to protect the nation in a time of great crisis This book also describes how throughout its second decade in power the AKP has used Turkey's education system its Directorate of Religious Affairs and television programs in order to propagate its necropolitical martyrdom narrative

**Ottoman Nationalism in Transition from Empire to Republic, 1908-1931** Abdullah Simsek, 2024-04-17 This book deals with the complex process of national identity formation in the late Ottoman Empire and early Turkish Republic during a crucial period characterized by transformative events that reshaped both the state and society These events included revolutions wars mass migrations ethnic cleansing genocide the empire's disintegration territorial and demographic changes and the emergence of new states In the face of these events a multitude of old and new formulations and imaginings of nation and national identity took shape and interacted with each other This book focuses on highlighting the diversity of concepts and trajectories that existed during the period and how these played out within a complex web of inclusionary and exclusionary processes and the various ways in which the nation was constituted and conceptualized

**The Interwar World** Andrew Denning, Heidi J.S. Tworek, 2023-08-29 The Interwar World collects an international group of over 50 contributors to discuss analyze and interpret this crucial period in twentieth century history A comprehensive understanding of the interwar era has been limited by Euro American approaches and strict adherence to the temporal limits of the world wars The volume's contributors challenge the era's accepted temporal and geographic framings by privileging global processes and interactions Each contribution takes a global thematic approach integrating world regions into a shared narrative Three central questions frame the chapters First when was the interwar Viewed globally the years 1918 and 1939 are arbitrary limits and the volume explicitly engages with the artificiality of the temporal framework while closely examining the specific dynamics of the 1920s and 1930s Second where was the interwar Contributors use global history methodologies and training in varied world regions to decenter Euro American frameworks engaging directly with the usefulness of the interwar as both an era and an analytical category Third how global was the interwar Authors trace accelerating connections in areas such as public health and mass culture counterbalanced by processes of economic protectionism exclusive nationalism and limits to migration By approaching the era thematically the volume disaggregates and interrogates the meaning of the global in this era As a comprehensive guide this volume offers overviews of key themes of the interwar period for undergraduates while offering up to date historiographical insights for postgraduates and scholars interested in this pivotal period in global history

**The End of the Ottomans** Hans-Lukas Kieser, Margaret Lavinia Anderson, Seyhan Bayraktar, Thomas Schmutz, 2019-04-25 In the early part of the twentieth century as Europe began its descent into the First World War the Ottoman world once the largest Empire in the Middle East began to experience a revolution which would culminate in the new secular Turkish state Alongside this in 1915 as part of an increasing nationalism it enacted a genocide against its Armenian citizens In this new study Hans Lukas Kieser marshals a

dazzling array of scholars to re evaluate the approach and legacy of the Young Turks whose eradication of the Armenians from Asia Minor would have far reaching consequences Kieser argues that genocide led to today s crisis ridden Middle East and set in place a rigid state system whose effects are still felt in Turkey today Featuring new and groundbreaking work on the role of bureaucracy the actors outside of Istanbul and re centring Armenian agency in the genocide The End of the Ottomans is a vital new study of the Ottoman world the Armenian Genocide and of the Middle East **Tartaria - Adolf**

**Hitler** David Ewing Jr,2022-12-07 On the 19 August 1934 Adolf Hitler became the Fuhrer of Germany Why 19 Why Researchers found a mathematical code in the major events of the history of Germany This mathematical code showed that the history of Germany was a lie This book will examine the history of Adolf Hitler and September 11 and the secret history of Europe Why did the barbarians in Germany fight against the Church Were these people really barbarians Or was this history fraudulently invented by the Church and its allies Did the Germans really fight in Crusades against Muslims or did they fight against the Church During the Middle Ages the Holy Roman Emperors in Germany had Arabic writing on their clothes Why During the Middle Ages many European Muslims used the Swastika Why During the Middle Ages European people used millions of coins with Arabic and Islamic writing Why do people not know about this **Eternal Dawn** Ryan Gingeras,2019-11-07 Amid the tensions and uncertainties that plagued the globe before the Second World War the Republic of Turkey appeared to many as a unique and constructive model for how a state was to be reformed and governed in the modern era For many interwar observers Turkey was a country that seemed to have radically transformed itself into a nation that was united strong and progressive one that was unburdened by its past A general consensus held that Turkey s founding president Mustafa Kemal Atat rk was the chief architect and engineer of this feat a belief that placed him among the greatest reforming statesmen in world history This general perception of Atat rk and his revolutionary rule has largely endured to this day As a study grounded in largely untapped archival and scholarly sources Eternal Dawn presents a definitive look inside the development and evolution of Atat rk s Turkey Rather than presenting the country s founding and transformation as an extension of Mustafa Kemal s life and achievements scholar Ryan Gingeras presents Turkey s early years as the culmination of a variety of social and political forces dating back to the late Ottoman Empire Eternal Dawn presses beyond the reigning mythology that still envelops this period and challenges many of the standing assumptions about the limits successes and consequences of the reforms that comprised Mustafa Kemal s revolution Through a detailed survey of social and political conditions that defined life in the capital as well as Turkey s diverse provinces Gingeras lays bare many of the harsh realities and bitter legacies incurred as a result of the republic s establishment and transformation Atat rk s revolution upon final analysis destroyed as much as it built and established precedents that both strengthen and torment the country to this day

**Guardians of Language** Florian Coulmas,2016 This book provides an accessible account of the origins and conceptual foundations of language policy Florian Coulmas discusses the influence of twenty intellectuals from medieval to modern

times and from a variety of cultures who have taken issue with language its use development and political potential These guardians of language range from renowned figures such as Dante Noah Webster and Gandhi to less well known individuals such as the Spanish grammarian Antonio de Nebrija and Senegalese politician and poet Leopold Sedar Senghor Each chapter begins by providing background information on the scholar whose work is being reviewed and ends with a summary of his key thoughts on language in the form of an imaginary interview Forming the Modern Turkish Village Özge

Sezer,2022-11-07 During the early republican period architectural interventions in rural Turkey took the form of social engineering as part of the state s modernization and nationalization policies zge Sezer demonstrates how the state s particular programs had a powerful effect on rural life in the countryside She examines the regime s goals and strategies for controlling the rural people through development projects and demographic shaping to create a strong Turkish identity and a loyal citizenry The book outlines the implementation of new rural settlements particularly following the 1934 Settlement Law with a geographic focus on two cities Izmir and Elazig with varied socio economic and ethnic standing in the state program
