

Effect of Acculturative Stress 4

hinder the easy transition of international students still remain unchanged.

An international student's experience of transition from high school to college is complex and multifaceted. Several authors have attempted to study the nature of psychological problems of international students. One such author is Yue Zhang. In her studies, she notes that acculturative stress, perceived social support and depression are higher among Asian international students. English language competency significantly affects acculturative stress level (Zhang, 2012). Homesickness is another major factor that contributes to this hardship. The loss of emotional and social support systems due to separation from significant others, cultural and language barriers are responsible for the loneliness of international students. In addition to achieving their educational and personal goals, international students also feel obliged to hold on to their cultural roots. "International students deal with a lot of stressors in addition to academic pressure. One major thing is the burden to fit in. Social acceptance for an international student is like food and water for a human. Counselling sessions help alleviate stress and anxiety, but the lack of understanding and awareness among people hinders the smooth transition from high school to college," says Rahul Bangal (2017), a sophomore at University of Indiana. Kartik Sharma (2017), a freshman pursuing computer engineering says, "The hardest thing for me to adjust to was not being able to play football every day. Along with this, I find adjusting to the change in food and meal times very hard."

International students also face sociocultural challenges. Arriving from another country, they face problems even in their daily lives and are exposed to a different reality. The first thing they have to deal with is learning to survive in a new community. Perceptions of academic stress and coping strategies might differ across countries, but having a support system helps make any transition easier. However, for international students, there is rarely something they can call a

Designed for students scholars and professionals it bridges theoretical concepts with practical applications enabling readers to design conduct and evaluate research studies effectively across diverse academic and professional fields

Recent Advances In Perinatal Medicine - Proceedings Of The 100th Course Of The International School Of Medical Sciences T H Bloomfield,E V Cosmi,Gian Carlo Di Renzo,D F Hawkins,1999-09-17 This volume is based on presentations at the fifth course on perinatal medicine held in the International School of Medical Sciences at the Ettore Majorana Centre for Scientific Culture in Erice Sicily in March 1996 It has had a prolonged gestation but the presentations have been updated and thus the book will benefit perinatologists internationally The introductory lecture by philosopher Donald Evans is of great interest discussing the issues which all those involved in reproductive medicine in its widest sense are dealing with all the time but seldom think about or put in context Subsequent papers deal with understanding the development and management of the fetus and newborn along lines which represent real progress in perinatal medicine The epilogue based on a seminar will be a help to all those Europeans and others struggling to present their work in English language journals and books

Writing Skills for Nursing and Midwifery Students Dena Bain Taylor,2012-11-16 Nursing and midwifery students are required to communicate in writing in a variety of forms for a variety of potential audiences including their colleagues allied health professionals administrators and most importantly their patients and the public Dena Bain Taylor is an experienced teacher of writing and critical skills across the range of allied health professions and understands the types of writing nursing and midwifery students do and the writing issues they face Her accessible straightforward book tailored specifically to the content and conventions of nursing and midwifery curricula teaches students to write persuasively and correctly both to support them in their courses and to prepare them for their professional careers The book offers practical strategies for using language to achieve clear persuasive writing provides clear explanations of underlying principles contains samples of good and improvable writing leading the student step by step through the whole writing process focuses on the genres and styles of writing that nursing and midwifery students are typically asked for With regular summaries learning aids checklists and a glossary of key terms nursing and midwifery students at all levels will find this book easy to follow and handy to refer to for help with the writing they need to do throughout their course

Embracing the Beat of Term: An Emotional Symphony within **Harvard Style Paper**

In a global eaten by displays and the ceaseless chatter of immediate interaction, the melodic splendor and emotional symphony produced by the published term usually fade into the back ground, eclipsed by the persistent noise and disturbances that permeate our lives. However, set within the pages of **Harvard Style Paper** a stunning fictional value filled with natural feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, this charming masterpiece conducts readers on an emotional trip, skillfully unraveling the concealed songs and profound impact resonating within each carefully constructed phrase. Within the depths of the touching examination, we can explore the book is central harmonies, analyze its enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
