Complete Content Review provides a detailed and thorough review of topics tested on the exam. The content covers foundational principles and concepts necessary to answer related questions on the test: Geography, its nature and perspectives; Population and migration; Cultural patterns and processes; Political organization of space; Agriculture, food production and rural land use; Industrialization and economic development; Cities and urban land use. This book provides a thorough and curriculum-oriented review of all topics per the College Board's most current AP Human Geography course outline and is organized into seven content areas with detailed coverage of the content tested on the exam. The information is presented in a clear and easy-to-understand style. You can focus on one chapter at a time to fully comprehend and internalize important geographic relationships. This book can be used both as accompanying text during your AP course and as a review guide before the exam. By using it as your study tool, you will develop the necessary skills and will be well prepared for the course and the exam. The content is developed and edited by highly qualified teachers, researchers, and education specialists with an emphasis on the curriculum and skills outlined by the College Board for the AP Human Geography course. It was examined for quality and consistency by our team of editors who are experts on teaching and preparing students for standardized tests.
