Japanese for Busy People Book 2 AJALT,2025-04-01 4th Revised Edition of JAPANESE FOR BUSY PEOPLE the most popular Japanese language textbook series in the world Now comes with free downloadable audio recordings Since it was first published in 1984 the focus of the Japanese for Busy People series has always been to teach Japanese for effective communication Picking up where Japanese for Busy People Book I left off Japanese for Busy People Book II goes beyond survival Japanese turning to the basics of Japanese syntax enabling learners to make a smooth transition from mid beginner level to intermediate level Japanese Grammar and content topics are carefully selected to assist learners to effectively develop sentence patterns and vocabulary related to each topic through the practice of talking about them Kanji Chinese characters used in Japanese are gradually introduced in Book II along with furigana so that learners know how to pronounce them By the end of the book learners will have acquired through a series of concise grammatical explanations and extensive speaking and listening exercises a command of Japanese that will enable them to carry on a variety of daily conversations Audio recordings can be downloaded for free from kodansha us

Japanese for Busy People II AJALT,2021-06-08 Volume I dealt with survival Japanese for tourists and other short term travelers and newcomers to Japan Volume II meanwhile turns to the basics of Japanese syntax The book is by no means only about grammar however Rather it is designed to help learners consolidate their understanding of syntactical structure through lessons that focus on how to talk about topics relevant to daily life In addition to serving learners continuing from Volume I Volume II will benefit those who have already studied beginning Japanese to some extent but wish to brush up on syntax Major Features of Japanese for Busy People II Revised 3rd Edition will enable learners to progress smoothly through the equivalent of the latter half of a typical first year Japanese course while gradually building speaking and listening skills Learners approaching mid beginner status

often find themselves suddenly faced with syntax and vocabulary much more complex than what they have studied before. Such grammar and vocabulary do not appear as frequently in everyday conversation as those words and structures they have learned up to this point necessitating that they spend ample time on review. Moreover, learners at this stage are expected to become familiar with verb tense and aspect, time expressions, conditional clauses, and other topics that require them to have a solid grasp of context and speaker intent if they are to fully understand the differences in meaning conveyed by each.

Japanese for Busy People II helps overcome the above obstacles through grammar and content topics carefully selected to be appropriate to learners at this level of Japanese proficiency. The book is designed so that by practicing talking about each topic, learners will gradually and effectively acquire sentence patterns and vocabulary related to that topic. Like Volume I, Volume II is organized into several large units, each covering topics grouped under a particular theme. In this way, the book enables learners to achieve a well-balanced understanding of grammar, sentence structure, and context.

Japanese for Busy People I AJALT, 2020-09-23. *Japanese for Busy People* is the most popular Japanese language textbook series in the world. With over 20 components, including texts, workbooks, CDs, videos, and teachers' manuals, it is also one of the most comprehensive. Now a decade after its first revision, the entire series is being redesigned, updated, and consolidated to meet the needs of 21st-century students and businesspeople who want to learn natural spoken Japanese as effectively as possible in a limited amount of time. The book features not only a sleek new design but also a unit structure that groups thematically linked lessons together, making it easier than ever to learn Japanese. Moreover, it now comes with a CD containing audio for the dialogues and listening exercises from the text. The exercises in the book have also been thoroughly revised to incorporate more comprehension and production tasks. Many of these exercises are illustrated, making for a stimulating learning experience, and the purpose of each one is clearly stated. This first of three volumes introduces survival Japanese, the absolute minimum amount of Japanese needed to live in Japan. Thus, the vocabulary and grammatical items it introduces are limited to about a third of what is typically introduced in a first year.
