This book brings together the work of established scholars from around the world to celebrate and honor the many ways in which Steve Graham has contributed to the advancement of teaching and researching writing Focusing on writing development and writing instruction in different contexts of education original contributions in this book critically engage with theoretical and empirical issues raised in Steve Graham s influential body of work and significantly extend our understandings of the importance of writing in developing learners literacy and the roles of writing in teaching and learning processes This book is organized around themes central to Steve Graham s work including theories and models of writing effective instructional methods in teaching writing surveys on teaching and learning writing and systematic review studies on writing Apart from regular chapters the book also features personal and scholarly reflections revealing the powerful ways in which Steve Graham s work has influenced our thinking in the field of writing research and continues to open up new avenues for future research endeavors *Collecting for the Curriculum* Amy J. Catalano,2015-09-28 If you re a librarian charged with collecting curriculum materials and children s literature to support the Common Core State Standards then this book the only one that offers explicit advice on collection development in curriculum collections is for you While there are many publications on the Common Core for school librarians and K 12 educators no such literature exists for curriculum librarians at the post secondary level This book fills that gap standing alone as a guide to collection development for curriculum librarians independent of the Common Core State Standards CCSS The book provides instruction and guidance to curriculum librarians who acquire and manage collections so you can develop a collection based on best practices The book begins with a primer on the CCSS and how curriculum librarians can support them Discussion of the Standards is then woven through chapters arranged by content area that share research based practices in curriculum development and instruction to guide you in curriculum selection Material types covered include games textbooks children s literature primary sources counseling and nonfiction Additional chapters cover the management of curriculum collections testing collections and instruction and reference as well as how to support and collect for special needs learners Current practices in collection development for curriculum materials librarians are also reviewed The book closes with a discussion of the future of curriculum materials *Rural School Leadership* Christian P. Wilkens,Janice DeVore Littlebear,Robert S. Thompson,2024-11-25 *Rural School Leadership Lessons from Alaska* is a guide for leaders in rural schools The book tells stories provides clear examples and practical school improvement strategies Throughout the book authors discuss how leaders can help their schools meet the needs of both Indigenous and Western systems Chapters are organized around specific areas of interest for rural school leaders such as cross cultural leadership academic improvement and leading small
