decided there wasn't any hope for me finding it for myself Until I met Noelle Brandt in a hotel bar Maybe it wasn't the most romantic meeting but the moment I met her I knew I had to have her The more I learn about her the more I know I'll do whatever it takes to keep her Twice shy I'd already found the love of my life but I'd lost that love forever And I'd been lost ever since But one night a wounded man makes all of that go away He makes me laugh live and feel alive When he tells me he has no intention of letting me go I finally begin to believe in the power of true love again That is until I find out who he really is and by then it's far too late to correct the mistakes we've already made By the time we both know the truth the lines have already been blurred beyond recognition
