

MP30 Mechanical Strut

Important Notes

All excavation work must be thoroughly planned before work commences on site and a comprehensive site specific risk assessment completed

These instructions form guidance for MP30 Mechanical strutting equipment when used to support excavations. Non-standard applications of this equipment must be approved by a Groundforce engineer.

Ensure all personnel engaged in installation operations are adequately trained, properly briefed and supervised by a competent person.

All hires for this equipment will generally be accompanied by an arrangement or scheme specific drawing. This must be read in conjunction with these instructions
