EVENT PROPOSAL – MUSICAL PERFORMANCE

The Botanic Gardens of Adelaide continues to encourage the performance of music within the Gardens and therefore has a commitment to excellence, innovation and diversity in-keeping with the environmental and horticultural significance of the site.

In an effort to facilitate musical performance applications the following standards should be considered when making a submission.

Musical performance proposals will be judged on the following criteria:

- Standard of excellence and innovation
- Integrity of work
- Relevance and appropriateness of work to the site
- Consistency with the Gardens' current objectives and environmental policies
- Consideration of public safety and access to the site
- Consideration of maintenance and durability
- Evidence of a funding source and satisfactory budget
- Project timeline

Your application will be considered depending on the nature of the proposed performance and the approval process may also involve, but is not limited to, further discussions with the artist/s and an impact assessment to be conducted by Garden staff.

Sufficient time should be allocated when submitting your proposal as additional requirements may extend the approval time. This could impact upon other tasks involved with your submission such as grant applications or marketing plans.

Please note that Letters of Support will not be supplied for funding applications until after the proposal has been approved. Submission of an application in the first instance is not a guarantee of approval.
