Newcombe, 2022-07-22 Page 2 The two words choices and wheels have great meaning for the author So many people in our society do not realize the myriad of choices with the selection of food clothes places to live in type of entertainments The list could go on There are a number of people including people with disabilities who lack choices in their daily lives Carolyn Newcombe tells of her every day as well as extraordinary encounters concerning choices individuals make including her own Making choices is a gift God gives us and He wants us to choose daily if not hourly In Joshua 24 15 there is an account of a physical and a spiritual battle taking place But if serving the LORD

seems undesirable to you then choose for yourselves this day whom you will serve whether the gods your ancestors served beyond the Euphrates or the gods of the Amorites in whose land you are living But as for me and my household we will serve the LORD All of us encounter battles in our lives Through growing closer to Jesus we can find that the best way to live life is to serve him That is a choice worth making Carolyn Newcombe has lived her life on wheels Without wheels she and millions of people who use wheelchairs would not have any form of mobility Life lived from a wheelchair gives unique perspectives and opportunities to build relationships and influence individuals Walk through the life changes of Carolyn Newcombe as she experiences a variety of different worlds from family life to institutionalization then to establishing and then working for a disability rights organization and also running a boarding house Watch her grow in her journey of faith Your eyes will be opened and your heart will be enriched when you read Choices and Wheels **Annual Catalog - United States Air Force Academy** United States Air Force Academy,1971 Music Journal ,1967 *The Running Life* Steven McCann,2021-09-09 Running is a part of our consciousness and subconsciousness all through life We run as children chasing kites and ice cream trucks and run away from irate parents We run as teenagers in our sports We run as adults to stay in shape and as elderly people we run after toddlers that suddenly escape our protection We run in nightmares We run in happy dreams for the exuberance of pure freedom We run to catch subways buses and planes We run to meet our lovers Our clocks run fast or slow and we run late or early My running stories capture some of the ways we run A kindergartener chases his mother for an entire mile so he can walk her to the grocery store A high school track athlete runs to win the heart of a classmate A college coed wakes up late for her final exam and runs frantically across campus to preserve her grade point Another young woman runs to escape a rapist An elderly man watches joggers sweep by on a country road from his seat in a wheelchair holding in his heart all the wonderful miles he once ran himself Blessed Experiences James E.
