

Essay on My Best Friend

I have many friends in school. But Akash is my best friend. We read in the same class and same section. He is polite and well-mannered. He is an ideal student. He is very smart and intelligent. He always obeys his parents and teachers. He wants to become an engineer. His favourite game is cricket. He is the captain of our school team. Akash helps me to become a better person. We share our feelings, emotions, and happiness with each other. We study and play together. I want him to be successful in life. We hope our friendship will last forever.
