*Game of Crones* Lydia M. Hawke, 2022-08-30 She knows she s powerful But is she enough Claire Emerson has turned her back on destiny After failing to master her unpredictable elemental magic it s clear to her she doesn t belong and her fellow Crones agree But just as she leaves her magical life behind she learns that one of the Crones has turned the others over to the mages and Morok the dark god they serve Knowing Morok can use the Crones magic to reclaim his own powers she has no choice but to go after them alone Tracking down and confronting the traitor is the easy part Getting past the mages who hold the Crones captive is going to be a little more difficult especially when Morok opens a portal to another world that threatens everything Claire holds dear Can Claire unleash her full powers in time to save her companions and the world

**Crone Unleashed** Lydia M. Hawke, 2023-08-15 She thought she d won but the war has only just started When Claire Emerson imprisoned Morok in the Camlann fragment of the world it should have been the end of the dark god and of the war between him and the Crones But when Lucan her protector is accidentally trapped along with the god Claire is determined to rescue him She ll have to travel through the treacherous god realm alone to get to him And that s just the first hurdle The bigger problem The magick of an ancient Crone is hidden in the fragment and if Morok discovers it he ll have enough power to break free and carry out his plan to destroy Claire s entire world and all that she loves Can Claire save Lucan and find the Crone magic before Morok does Or will she have to choose between the shifter she s come to love and the power she never asked for in the first place

*A Tangle of Obsidian* Lydia M. Hawke, 2025-06-03 Chasing shadows and saving the world at the age of sixty nine Not on her bingo card Former nun Sister Monica Barrett is the reluctant keeper of a stone that holds immense dark magick She d abandon it if she could but it s become attached to her literally and there are five more like it in the hands of powerful corrupt Mages determined to control the very fabric of the world Even if they destroy that world in the process Fortunately Monica s foes haven t been able to find the one thing they need to help them tap into the stones powers a mysterious being named Methuselah who brought the fragments to Earth millennia before Unfortunately neither has Monica On her side a fractured secret sisterhood an off the clock cop and a tech less tech whiz On the enemy s Unlimited financial resources their own dark magick and a host of terrifying monsters The race to find Methuselah is on and the entire planet hangs in the balance

**Rise of the Crones** Lydia M. Hawke, 2024-04-09 With great powers come great repercussions In the aftermath of her victory over the dark god Morok Claire Emerson is ready for some well earned peace and quiet and for some healing time with her protector Lucan But tranquility evaporates when an ancient god arrives on her doorstep demanding sanctuary and blaming Claire Claire s final battle with Morok tore apart the very fabric that separated the worlds and now the Between is devouring the Otherworld leaving the gods no choice but to flee to Earth The chaos that follows them turns Claire s entire world upside down Again Repairing the damage she caused while keeping a bunch of unruly deities in line won t be easy but she s up to the challenge until she learns that one of the deities is Morok whose

defeat wasn't as complete as she believed. Now with her magick spread increasingly thin, Claire has no choice but to again fight a war she thought she'd already won. And this time Morok isn't alone, but neither is she. As alliances form and new enemies emerge, will Claire's struggle to restore balance be enough to save the world? Or will it plunge them all into utter annihilation.

**Becoming Crone** Lydia M. Hawke, 2021-06-17 She wanted purpose. She got dark magick and war. Claire Emerson is adrift. After a lifetime as a wife, mother, and grandma, she never saw divorce or loneliness coming and is desperate for some sense of purpose. But when her sixtieth birthday brings a snarky gargoyle, an annoyingly sexy wolf shifter, and an unknown magical calling, she thinks she's losing the only thing she has left: her sanity. Refusing to believe she's the powerful defender of humankind, her so-called protectors claim Claire attempts a return to her safe life only to have her powers ignite when she's attacked by dark supernatural creatures. And without the training she was supposed to have received, she has no idea how she'll defeat sinister mages plotting her demise. Can Claire overcome creaky joints and major hot flashes in time to save the world and her own life?

Romantic Times Narratives of Loneliness Olivia Sagan, Eric Miller, 2017-09-28 Rising life expectancies and declining social capital in the developed world mean that an increasing number of people are likely to experience some form of loneliness in their lifetimes than ever before. *Narratives of Loneliness* tackles some of the most pressing issues related to loneliness, showing that whilst recent policies on social integration, community building, and volunteering may go some way to giving an illusion of not being alone, ultimately they offer a rhetoric of togetherness that may be more seductive than ameliorative, as the condition and experience of loneliness is far more complex than commonly perceived. Containing thought-provoking contributions from researchers and commentators in several countries, this important work challenges us to rethink some of the burning issues of our day with specific reference to the causes and consequences of loneliness. Topics include the loneliness and mental health of military personnel, loneliness and social media, loneliness and sexuality, urban loneliness, and the experiences of transnational movement and adopted children. This book therefore makes an overdue multidisciplinary contribution to the emerging debate about how best to deal with loneliness in a world that combines greater

and faster connectedness on the one hand with more intensely experienced isolation on the other Since mile Durkheim first claimed that the structure of society could have a strong bearing on psychological health in the 1890s researchers in a range of disciplines have explored the probable impact of social context on mental health and wellbeing Interdisciplinary in approach Narratives of Loneliness will therefore be of great interest to academics postgraduate students and researchers in social sciences the arts psychology and psychiatry     *The Morning Star and Free Baptist* ,1903     **Universalist Union** ,1847     *One God One Message* P.
