## **Forever Living With Eternity In View Paul David Tripp:**

Forever Paul David Tripp, 2011-10-04 Is this all you're living for? For years pastor Paul Tripp understood we were hardwired for forever. But he didn't understand that it was more than a valuable insight. It is a practical tool to help us face the disappointment of everyday life. Now he knows and he can help you discover how to survive and thrive in the middle of your story with the final chapter of heaven in view. Instead of embracing the world's motto you only live once, follow Tripp as he unpacks the biblical truth of the world as a broken place longing for a second chance. And come alive as you discover the meaning and redemption all this brokenness can bring to your life today. With practical insights on how eternity impacts your relationships, your job, your kids, and your deepest struggles, you'll be encouraged to relax into the eternal story God is writing for you. You really are hardwired for eternity, and this book reveals how you can begin to view all that happens in your life as preparation for Forever.

Doctrine, what Christians believe, directly influences how they live. The biblical truths about God, humanity, and the world are not merely about knowing more; they are also about loving God and making sense of this life and the life to come. But what happens when there is disparity between what believers confess and how they live? In his latest book, *Do You Believe?*, pastor and bestselling author Paul David Tripp takes a close look at 12 core doctrines and how they engage and transform the human heart and mind. According to Tripp, true belief is always lived. To demonstrate, he unpacks each doctrine and presents its relevance for the Christian life. As readers explore topics such as the doctrine of God, the holiness of God, and the doctrine of Scripture, they will be fueled to fall deeper in love with and stand in awe of their Creator and Father, putting the truths of God's word on display for all the world to see.
