Secret Trails and Buried Treasure Savta Chapman, 2015-07-27 Within every human spirit there exists a special place a place where the hopes and dreams of the imagination soar unchained from the slavery of logic and the tangible physical world A place where the supernatural culture of Heaven s Kingdom is the fullest reality For some visiting this unique place is a frivolous waste of time a mental blowing of dust bunnies For others this place becomes the mountain meadow within the soul the sweeping expanse of rugged peaks wildflowers and fragrant grasses where steams of pure glacial water tumble and crash in prismatic waterfalls where the spirit runs free dancing in worship and joy It is a place where the impossible flourishes where dreams survive the inferno of reality to become the miraculous wonders that draw us forward into the Father s presence It is a spiritual journey for the spiritual pilgrim it is the place where the supernatural is the expected reality It is a place where hardships devastations sorrow pain and peril pass through the savage cleansing fire to be transformed into a rare and priceless masterpiece of exquisite beauty If you are this kind of pilgrim on a spiritual journey come along on the secret trails to discover buried treasure in Heavens Kingdom on the earth This Book 2 is a continuation of Book 1 of the Midwife s Heritage series and continues the exciting adventure that just happens to occur in the lives of two midwives These true stories will hopefully stir up curiosity expand your vision and wonder and awaken a hunger for the things unseen that can impact the birth of each new spirit vessel exponentially It is His story written through the lives of His people This is the Midwife s Heritage one that brings Glory to God our Father and brings us closer to the Father that is our God
