These include Forbes.com Futures Magazine Technical Analysis of Stocks and Commodities Magazine and Stocks Futures and Options SFO Magazine *Financial Tutorial: First Aid Solutions To Money Problems* Davidson C. Okoko & Chidozie C. Okoko, 2011-08-25 Is trading stocks bonds commodities real estate a form of investing Precisely is trading a security a form of investing This book strives to let you answer this question Not only that it actually takes you through the rudimentary processes of trading them It attempts to resolve the ambiguities surrounding trading and investing which discourages people from engaging in the act It uses practical examples to show you how the money market and the capital markets can work to your advantage The term day trading is seen as precarious But is it really What if there were terms like week trading month trading or even year trading or more so decade trading Then seemingly precarious nature of trading will be removed As a result the definitions of trading and investing begin to converge Investing is the act of committing resources especially money to a venture to generate profits The time element of investing can be as short as nano seconds or as long as centuries or millenniums Going by this the infinitesimal timeline in trading securities should not make that venture any less than investing So trading as this book considers transcends daily or hourly momentum it also delves into far longer periods decades and centuries Whenever an investment product is bought and sold it had been essentially traded irrespective of the time lapse
