Forged by Fire Sharon M. Draper, 2011-04-05 The flame of love burns bright in the second book of Sharon M Draper s award winning Hazelwood High trilogy When Gerald was a child he was fascinated by fire But fire is dangerous and powerful and tragedy strikes His substance addicted mother is taken from him Then he loses the loving generosity of a favorite aunt and a brutal stepfather with a flaming temper and an evil secret makes his life miserable The one bright light in Gerald s life is his little half sister Angel whom he struggles to protect from her father who is abusing her Somehow Gerald manages to finds success as a member of the Hazelwood Tigers basketball team and Angel develops her talents as a dancer despite the trouble that still haunts them And Gerald learns painfully that young friends can die and old enemies must be faced In the end he must stand up to his stepfather alone in a blazing confrontation In this second book of the Hazelwood High trilogy Sharon M Draper has woven characters and events from *Tears of a Tiger* in an unflinchingly realistic portrayal of poverty and child abuse It is an inspiring story of a young man who rises above the tragic circumstances of his life by drawing on the love and strength of family and friends

Radical Reads Joni Richards Bodart, 2002 Radical young adult fiction can be edgy and raw which is why young adults who read it find it to be very relevant to their lives Teens struggling with issues in today s society can often recognize themselves and identify their problems in the fictional lives they read about There are no easy answers or pat endings in these books They often are accused of being dark gritty and bleak because they deal with subjects like incest teenage pregnancy dysfunctional families gangs prejudice violence drugs or other complex problems Central characters can be quite mature and multidimensional and plot lines are complex These books break boundaries in various ways from the challenge they present to the reader to the voice they give to their young protagonists Radical YA fiction is frequently more complex and better written than many adult bestsellers Bodart long known as the reigning queen of booktalking has identified 101 engaging tough and well written books and presents them in a way that will help the librarian defend their presence in the library or classroom the parent who wants to know what their child is reading and the teen who is looking for

a Rad Read Naturally there is a booktalk to pique interest and give away just enough of the story Entries also include character lists and sections on subject areas and major themes Bodart also provides a number of booktalk and book report ideas Her section on risks will alert adults to mature themes while her section on strengths will help defend these books against their critics The author has also included awards won and a section of book reviews which will be useful for both adult and student All the books listed are accessible to readers of middle school ability and up This is truly a multipurpose book from an expert who knows her stuff and essential for any library serving a teen audience and handy for parents as well
