brothers Simeon John S Gideon and Jared who joined the Mormon Church in the 1831-32 period. While Simeon the authors great great grandfather did not keep a journal and Gideons journal is very brief Jareds is one of the most important documents in early Mormon history and John S s shorter journal is also very valuable. Jared was a kind of religious fanatic with utopian views on faith healing the power of prayer and prophecy yet nevertheless he became president of the Kirtland High Council and a member of the prestigious three man Kirtland Temple Building Committee. John S became a leader of the Church in the northeastern New York Vermont region and brought a large company of saints to Kirtland in early 1833. All four Carter brothers became important early missionaries and four separate chapters document their activities.

Christianity and the Triumph of Humor Bernard Schweizer, 2019-07-17. This book traces the development of religious comedy and leverages that history to justify today s uses of religious humor in all of its manifestations including irreverent jokes. It argues that regulating humor is futile and counterproductive illustrating this point with a host of comedic examples. Humor is a powerful rhetorical tool for those who advocate and for those who satirize religious ideals. The book presents a compelling argument about the centrality of humor to the story of Western Christianity s cultural and artistic development since the Middle Ages taking a multi disciplinary approach that combines literary criticism religious studies philosophy theology and social science. After laying out the conceptual framework in Part 1 Part 2 analyzes key works of religious comedy across the ages from Dante to the present and it samples the breadth of contemporary religious humor from Brad Stine to Robin Williams and from Monty Python to South Park. Using critical historical and conceptual lenses the book exposes and overturns past attempts by church authorities scholars and commentators to limit and control laughter based on religious ideological or moral criteria. This is a unique look into the role of humor and comedy around religion. It will therefore appeal to readers interested in multiple fields of inquiry including religious studies humor studies the history of ideas and comparative literature.

Preacher Didn't Tell You John Winsor, 2011-10-18 What your preacher didn't tell you is this Christianity was a Medieval invention that contradicts what Jesus taught He didn't believe that he was divine or that anybody was bound for heaven Winsor quotes the Bible itself to explain how preachers obfuscate its meaning Followers are deceived by tricks such as the conflation of terms that are not synonymous Son of Man referred to mankind in general not to Jesus Kingdom of Heaven referred to a future earthly kingdom that Jesus hoped to rule not to Heaven itself His own prayer asks Yahweh to establish it and make life on earth as it is in heaven Matthew 6:10 Jesus thought it would come very soon you will not have gone through all the towns of Israel before the son of man comes Matthew 10:23 He expected Yahweh to bring people to the kingdom in clouds with great power and glory Mark 13:26 Fundamentalists falsely assert that there is no wall of separation between

Church and State They create de facto religious tests and poison our public discourse Christian dogma conflicts with historical and scientific facts and even with Biblical text Its interference in politics undermines our ability to seek real world solutions to real world problems Preachers often claim that the Bibles text is too complicated for lay people to understand but if youre armed with the clues in this book it is fairly straightforward reading If you have questions about the Bible Christianity and how they relate to modern science and American democracy youll find real answers here
