Forsaken Heather Fleener, 2013-07-10 Forsaken Ancients of Light 2 The Prophecy Will Be Fulfilled Ancients were created in the beginning of the age of man The Vampire were birthed by the underworld after mankind's fall from grace to destroy what remained of God's people This threat to Creation was countered with divinely breathed immortals The Witch were most effective against the nefarious agenda pursued by the evil ones An arcane Prophecy proclaims that the divine purpose of the Ancients of Light will be fulfilled beginning with the rise of the Chosen Now the Queens will join her Fire is her Destiny Ella long ago determined she would not live a life where magic defined her Feeling no kinship with her Caste she walked away from the Realm and its conflicts She found acceptance and fulfillment in her life amongst the mortals and is on the brink of achieving her dreams Darkness is His Curse Nicholas is the most revered warrior in the Darks army His personal animosity towards the Light drives his existence and draws him to the one Witch he is set on controlling Nicholas knows the reasons that Ella never found acceptance within the Fire Caste of Witch and he will use that knowledge to pursue his Dark agenda When Light and Dark Collide Despite her origins Nicholas discovers more in Ella than just a powerful Fire Witch leading him beyond the Dark evil that has plagued him for eight centuries Ella disregards the inherent calling of her breed for the only true belonging she has ever experienced the love she finds with her Dark Vampire The beginning of the very Prophecy that will save the Light tears the pair apart and the fallout threatens their existence When two of the most powerful immortals on opposite sides of Realm collide in divinely inspired fate neither will escape unscathed Only when the Forsaken finds grace will Ella and Nicholas be able to fulfill the destiny that has always been meant for them
