A Blood-Dimmed Tide Gerald Astor,2015-01-27 Drawing on firsthand accounts by survivors of the bloody Battle of the Bulge diaries letters and official documents this study describes the events of the campaign hardships faced by the soldiers the battle s horrifying costs and the controversy surrounding the campaign Who Will See the Dawn? Lee W. Pitts,Ronald C. Beach,2015-01-31 From the opening paragraph with the plaintiff cry in the Arabian Desert of an orphaned young boy to instances of espionage intrigue and terrorism a story is spun that is full of suspense and the often frail humanity of mankind that is todays news An alliance was struck with the President of the United States Chief of Staff that sent the men and women of Secure Dreams a security company into what should have been a routine security task but one that ends in a battle of survival Downing Electronics a Defense Department contractor is working on a program vital to the space program of the United States a devastating security breach has been discovered As Reggie Nutsbagh and Toby Preston trace the leaks they discover family treachery is not the only problem for an enemy long deceased seems to have been resurrected One of Zachariah Rodzinskis allies Nutsbagh and Prestons initial introduction into terrorism is loose and wants revenge The fast paced novel takes us to the deserts of the Middle East to the Metropolis of Houston Texas and moving to the rugged plains of Wyoming for a climactic battle As this band of courageous men and women once again wage war against terrorism on American soil they will see the weaknesses and strengths from within their own ranks that will determine the future of peace in themselves and in the land they love so much *Assembly* West Point Association of Graduates (Organization),1989 **A Mighty Purpose** Adam Fifield,2015-10-13 The inspiring story of how the iconoclastic humanitarian Jim Grant succeeded in saving the lives of tens of millions of children through his extraordinary ability to win over world leaders Nicholas Kristof hailed Jim Grant as a man who probably saved more lives than were destroyed by Hitler Mao and Stalin combined Nominated by President Jimmy Carter to head UNICEF Grant ran the United Nations agency from 1980 to 1995 and became the most powerful advocate for children the world has ever seen To ensure that even children trapped by war received health care and immunizations he brokered humanitarian ceasefires by exploiting the political self interests of presidents and warlords alike Grant at first met fierce resistance at the United Nations and in his own organization and some thought his ideas were crazy and dangerous But as he kept toppling obstacle after obstacle he eventually won over even his most stubborn detractors Grant spearheaded a historic surge in worldwide childhood immunization rates and launched a movement that profoundly altered the face of global health and international development **Wedemeyer Reports!** General Albert C.

Wedemeyer,2015-11-06 As the chief planner for General Marshall and co author of the Victory Plan General Wedemeyer had a truly significant hand in shaping and directing the Allied War effort against the Fascist powers In these brilliant excellently written memoirs he reveals the planning and execution of Grand Strategy on a global scale that toppled Hitler Mussolini and Tojo The Second World War says historian Walter Millis was administered As a war planner in Washington from 1940 into 1943 I was intimately involved in an attempt to see the war whole and even after I had moved on to Asia where I served successively on Lord Louis Mountbatten s staff in India and as U S commander in the China Theater I was still close to the problems of adapting Grand Strategy to a conflict of global dimensions It was inevitable then that the subject of Grand Strategy should predominate in this book I was not deprived of my own share of war experience from close up but my most strenuous battles were those of the mind of trying as we in Washington s planning echelons saw it to establish a correct and meaningful Grand Strategy which would have resulted in a fruitful peace and a decent post war world There were many obstacles in the way of developing a meaningful strategy of assuring that our abundant means material and spiritual would be used to achieve worthy human ends First there was the pervasive influence of the Communists who had their own plans for utilizing the war as a springboard to world domination Second there was the obstinacy of that grand old man Winston Churchill who as we soldiers felt could never reconcile his own concepts of Grand Strategy with sound military decisions Because we had to contend with the machinations of Stalin on the one hand and with the bulldog tenacity of Churchill on the other this book has had to be harsh in some of its personal assessments Foreword **Recipient of Grace** Donald L.
