HATCHET CHAPTER SUMMARIES	
	① Brian follows to 22. He finds a small plane from New York on the Canadian wilderness. He thinks about his parents' divorce, and as he looks he refers to as the "beaver". He has a hatchet attached to his belt, given to him by his mom. Suddenly, the pilot has a heart attack and dies. Brian makes his last plans for the plane, thousands of feet in the air.
	② Brian tries to use the radio, but he loses his legs before he can get any useful information across. He keeps trying to get through. The plane crashes in the bush, and Brian doubts he will be forced to land it. He points the nose of the plane down and thrusters up.
	③ Brian is convinced that he will not survive the crash. The plane finally lands in a lake. As water rushes in, Brian realizes his trapped and escapes. He waits for the plane to pass out from pain and exhaustion.
	④ Brian recalls the incident for others as the plane is the ground. He had seen his plane in a strange way, flying in the air and was not the dead. As he becomes convinced again, the plane and wilderness from the crash would be to quickly fall asleep. He wakes up, thinks about how lucky he is to have survived, and realizes he is covered in mosquito bites. He falls asleep again.
