

Professional English for B2 Level Students including Tourism and Hospitality Studies

Abstract of the study course

The course is intended for students who specialise in the tourism industry. In the course students learn professional English, which is necessary to work in the tourism industry. The course assumes students learn professional English by reading, writing, listening, discussing texts, creating and playing communication games and creating projects.

Aim of the study course

The main goal of the course is to improve students' communicative competence in professional areas by teaching students to understand and use business language, develop the student's general language understanding and learning strategy as a basis for continuous learning.

Intended learning outcomes:

1. Student is able to express their opinion in the professional English of tourism industry orally and in writing. Able to read and discuss the reading orally and analyze the content in writing.
2. Student knows the terminology and has an ability to use it in speaking and has an ability to write texts about professional issues.
3. Student is able to use the professional vocabulary in professional language, reading academic writing and other literature.
4. Student possesses linguistic competences, discursive competences, sociocultural and pragmatic competences necessary in the field of tourism.
5. Student is able to use professional language in speaking and writing by reading newspapers and special educational literature in English.
