Human Resource Management, 2e Khanka S.S., The second edition continues to familiarize the students with the basic principles and techniques of human resource management Comprehensively this textbook highlights the importance of effective management of human resources which results not only in organisational effectiveness but also sustainable competitive advantage With the coverage of contemporary topics such as HR Scorecard Gen Y Employees and Work life Balance it keeps the students abreast with the current human resource practices of the real world This textbook caters to the requirements of management students and is also a useful resource for HR professionals

The Knowledge Manager's Handbook Nick Milton,Patrick Lambe,2016-04-03 The way an organization manages and disseminates its knowledge is key to informed business decision making effectiveness and competitive edge Because knowledge management is not a one size fits all method you need a framework tailored to your organization and its priorities The Knowledge Manager s Handbook takes you step by step through the processes needed to define and embed an effective knowledge management framework within your organization Knowledge management experts Nick Milton and Patrick Lambe draw on their practical experience as consultants and project leaders to guide you through each stage of creating and implementing a knowledge management framework to answer your organization s specific needs The framework takes into account the four essential aspects of knowledge management people processes technologies and governance and shows how each of these can be optimized to unlock the value of your organization s knowledge With international case studies from organizations of all sizes and sectors and user friendly templates and checklists to help you implement effective knowledge management procedures The Knowledge Manager s Handbook is the end to end guide to

making a sustainable change in your organization's knowledge management culture **A Human Resources Parody** Sara Elbaroudi, 2014-08-14 The parody identifies the prime position of communication across cultures as well as in the successful conduct of a business while narrating a few real life examples of failures caused by ineffective communication. It goes through some of the most important HR practices as well as corporate culture from 2005 and up until 2012 and thus lays an interesting picture of how things have changed or rather haven't changed in the past 15 years. From office politics to humorous encounters it takes you on a quick journey in the corporate world. With the author's experience of the business world beginning with the HR department she rightfully identifies the key to effective communication in listening and suggests different approaches to augment efficacy like active listening. In conclusion she also presents rather convincing and forceful arguments with the help of statistical data. The parody is written to break down all barriers to the effective use of language and to offer techniques to remove the illusory aspects extant in every form of communication. Replete with examples and with a bunch of useful tips for different styles of correspondence this is a reliable companion for effective interaction. It was written to have a wider conversation around the corporate world in different countries and its demands.

Quality Management in ART Clinics Fabiola Bento, Sandro Esteves, Ashok Agarwal, 2012-11-13 In the last decades major advances have been made in assisted reproductive technologies ART and the public demand for these procedures has increased globally. All ART clinics from those just starting out to the well established must employ the latest equipment and implement the best practices while ensuring that their resources are effectively engaged to optimize patient outcomes. This is a tenet of the fiduciary role of physicians and it is increasingly recognized as a quantifiable goal regulated by formal certifications and accreditations. Quality management protocols such as those proposed by the International Organization for Standardization ISO are being rapidly adopted as standards of measure. **Quality Management in ART Clinics: A Practical Guide** provides easily adoptable ways to implement and improve formalized quality management systems. Essential to any clinic to achieve best practices and maintenance of formal regulatory certifications this book brings together the know how of experienced opinion leaders operating in key areas worldwide. The book offers an overview of primary regulations in the ART field with attention to quality management demands and links specific requirements to practical steps for implementation. Filled with process and procedure examples, flow diagrams and administrative form templates this book is the first of its kind gathering the necessary elements for optimizing practice management and quality assurance. **KALAH-CIDSS National Community-Driven Development Program** Asian Development Bank, 2018-12-01 This guidebook helps ensure that community training investments are optimized and yield the desired results. It provides learning facilitators with guidelines and tools for carrying out various phases of the training management cycle including analysis, design, development, execution, monitoring and evaluation. The guidebook was developed as part of the Department of Social Welfare and Development's Kapit Bisig Laban sa Kahirapan Comprehensive and Integrated Delivery of Social Services National Community Driven Development

Program which conducts training to plan for and participate in community change initiatives in the Philippines
