formal feminine bridal gown for her husband to wear before his 1st time So Diane developed an elaborate plan to force feminize her husband publically expose him dressed as a girl and then prepare him for his bridal gown Warning Don t let your wife or girlfriend learn of Diane s plan because it was perfect Stephen truly had no option but to be dressed in public as a girl to begin the day You also will wind up having no choice either if anybody does to you what Diane did to Stephen Brides need to have their makeup done They need to have help dressing in their bridal gown They need to have bridesmaid and maids of honor They need to have their pictures taken They need to have a new name All of this prior to the formal presentation and introduction to their spouse Diane was going to make sure Stephen got the full complete total treatment Then of course the bridal night The mythical first time she has sex Well Stephen was going to get the full treatment here also Punishment enema plus punishment oral sex punishment anal sex forced consumption bondage whips and cock torture But the psychological punishment would be equally as bad with suggestions and elements of cuckolding and forced bi to demean and shame her husband As the evening progressed Diane and her family learned even more of Stephen s secrets Diane already had a plan to make Stephen s mother an unwilling participant in the bridal weekend But now those plans would change His mother would have a much more expanded and permanent role Stephen s crossdressing was always a family affair from the very beginning Now it would be a much larger family affair It was time to complete what had been started years before he met Diane Of course your author on her cover image is wearing a dress that matches the story
