David Rogers, 2013-08-22 Mobile device security is something that affects nearly every person in the world. Users are still however crying out for good information on what they should do to prevent theft, protect their smartphone from attack and for advice that they can use practically to help themselves. This short book sets out to address that. Originally written as a whitepaper for the Police in the UK, it gives some of the history of mobile security and explains the efforts that have gone on behind the scenes in the mobile industry to help secure users. It also provides guidance for users to help protect themselves. The technology in mobile phones is constantly evolving and new threats and attacks emerge on a daily basis. Educating users is one of the most important and valuable things that can be done to help prevent harm. The author brings his extensive experience of the mobile industry and security development for devices to this book in order to help make users safer and more secure.

Dimwit iPhone 12 Pro Mastering Джим Вуд, 2021-03-07 This guide is formulated to help you get started with using your iPhone in as little time as possible. You can start using the iPhone as soon as you start using this book rather than have to wait to finish the guide before starting. That is not even all: this guide was purposely written to serve as an iPhone guide in a non-formal and too techy language except where it cannot be avoided; even then a lot of efforts has been put in to ensure the language used in this book is a little more casual than what you would expect from most other iPhone manuals. With this book in your hands you can save yourself time and tons of energy by sampling, following the tips, tricks and advice you'll find within. You will also gain immense knowledge in the step-by-step, easy-to-follow chapters used throughout this book. Only those who have this book can benefit from having such an amazing reference book that can deal with any potential challenges you might find face along the way. From an iPhone Novice to Expert User, Acquiring an iPhone can be both a thrilling and intimidating experience. On the one hand, it can feel like just being gifted a new toy you have always wanted, especially a great phone like the iPhone 12 Pro Max. On the other hand, being called one of the best phones on planet earth means it has to have lots of features. I mean, you probably would have also found out for yourself that it does have lots and lots of features. Some of which you probably may never use. But for those features you intend to use or should use, you will need a great guide like this book that understands your needs and is ready to take you through the process in a language simple to understand. This guide is formulated to help you get started with using your iPhone in as little time as possible. You can start using the iPhone as soon as you start using this book rather than have to wait to finish the guide before starting. That is not even all: this guide was purposely written to serve as an iPhone guide in a non-formal and too techy language except where it cannot be avoided; even then a lot of efforts has been put in to ensure the language used in this book is a little more casual than what you would expect from most other iPhone manuals. The iPhone 12 family uses the new iOS 14 which expectedly comes with many useful tools including the ability to display Triple lens 3D camera for better video and gaming and a lot more. The New physical design is also a slight departure from the iPhone 11 and comes prepared to handle 5G connectivity as well as integrate two forms of 5G. It is needless to say that the iPhone 12 Pro Max is a great engineering

combination of premium hardware quality software and great accessories all aimed at making your user experience with the iPhone a great one They have successfully done that over the years Some of the things you should expect in this book include Manage Apple ID and iCloud Settings on iPhone Ways to use iCloud on iPhone 12 Take a Screenshot or Screen Recording On iPhone 12 Change iPhone 12 Sounds and Vibrations Home screen and open apps Type and Edit Text on iPhone 12 Add or change keyboards on iPhone 12 Using Maps Application Use and Customize Control Center on iPhone 12 Allow Features Access from Device Lock Screen How to use app clips on iPhone Choose iPhone 12 Settings for Travel Set up Screen Time for a Family Member on iPhone 12 Set Do Not Disturb on iPhone 12 Turn on Do Not Disturb While Driving Switching Between Apps on iPhone 12 Switching Between Open Apps Lots more within the pages of the book The iPhone is arguably the most powerful phone out there and can be used to take great photos and can do just about anything Then even though some people intuitively find it easy to use for some others especially for those who have never used it before or those who simply want to get more out of it it can be a little bit intimidating For such persons this book will be a very welcome guide With this book in your hands you can save yourself time and tons of energy by sampling following the tips tricks and advice you ll find within You will also gain immense knowledge in the step by step easy to follow chapters used throughout this book Only those who have this book can benefit from having such an amazing reference book that can deal with any potential challenges you might find face along the way while trying to use your iPhone Not only that but you can also order this book as a gift for a friend son daughter or a loved one to help them quickly get started with using their phone as soon as they start exploring the pages of this book Special Bonus That is not all at the end of this book we have a special gift for you something we believe you will love Click the Add to Cart to purchase on your closeout or click the Buy Now to purchase at least one copy now **iPad**
