,1977-01 THE 3 STEPS TO ENLIGHTENMENT AiR - Atman in Ravi, 10 years after my Spiritual Awakening and after writing over 90 books on Life Happppiness God and Enlightenment I realized that a spiritual seeker cannot be Enlightened in one Aha moment The spiritual journey is much more than that It is a 3 step metamorphosis a transformation that needs one to evolve first from Awakening getting that Aha of Who am I and then living the Spiritual Awakening and being Enlightened thereafter being Liberated from this world of pleasure people and possessions and being in a state of Eternal Happppiness free from all misery all suffering I have written several books on Enlightenment right from a book on my Talaash my Quest I have written about how we must exit the highway of achievement transcend fulfillment and reach Enlightenment Enlightenment is the journey of transcending all Karma and going through the process of Self Realization to reach God Realization But how is all this possible All this can only happen if we go through that process of Purification and Illumination to 4 Preface get the basic Realization of Who am I and Why am I here We must answer these two questions While they seem simple they are the most difficult Realizations of life If we must attain this we must do it in 3 steps If we want to climb a six foot high rock it is not easy to do it in one step But if we climb two feet at a time it is possible So it is with Enlightenment If we divide the spiritual journey into 3 steps we can reach our ultimate destination First we must be Awakened with the Realization of the Truth Second we must be Enlightened as we live the Realizations And finally we should go beyond who we are not We must be Liberated and united with the Divine The Realizations are simple But as long as we live as the Mind and Ego ME we can never be truly free to be our true self The body will die and we will return to earth in a rebirth as we suffer and cry because we do not discover Who am I This book can be the key to your spiritual journey It can help seekers attain God step by step It is easy but needs sincere commitment and effort It needs the guidance of a Guru an Enlightened Master

But surely if one follows this as an Enlightenment manual one will achieve the ultimate goal of Liberation What is unique in this book is the 3 Step method Don t try to be Enlightened in one flash Enlightenment is a journey of Awakening that needs Realization first Thereafter we must put these Realizations into action making it our mission If there is enough passion ultimately there will be Liberation from all ignorance and Unification with the Divine We will be free from all misery on earth and the cycle of death and rebirth We will achieve our ultimate goal as we live as the Divine Soul Where are you on the spiritual journey Are you fully Awakened Are you Enlightened When will you be Liberated *Backpacker* ,2007-09
