Modern Hydrotherapy for the Massage Therapist Marybetts Sinclair, 2007-11-01 This text offers a modern approach to hydrotherapy the use of water ice steam and hot and cold temperatures to improve or maintain health as performed by massage therapists Authored by an experienced massage therapist this book presents clear uncomplicated explanations of how hydrotherapy affects the body and then demonstrates a wide variety of hydrotherapy treatments The book suggests how massage therapists may use hydrotherapy treatments before and during massage sessions or give these treatments to clients to do between sessions for faster and better results The author presents real life examples and case studies obtained through interviews with massage therapists athletic trainers physical therapists naturopathic doctors aquatic therapists and medical doctors treating patients in a medical hydrotherapy setting

Naturopathic Physical Medicine Leon Chaitow, 2008-04-24 NATUROPATHIC PHYSICAL MEDICINE provides a philosophical naturopathic perspective as well as practical clinical applications for manual and physical approaches to health care A wide range of bodywork and movement approaches and modalities are evaluated in relation to their ability to be appropriately used in naturopathic treatment and rehabilitation settings The model of care emphasised in this text recognizes that naturopathically oriented therapeutic interventions usually focus on achieving one or all of the following enhancement of function so that the person system or part can better self regulate in response to adaptive demands modification or removal of adaptive load factors and symptomatic relief without creation of significant additional adaptive changes

The Ultimate Text In Constitutional Hydrotherapy Dr. Letitia Dick-Kronenberg, ND, 2012-07-07 This is a teaching text designed principally for Doctors of Naturopathic Medicine who will practice Classical Naturopathy with the use of Constitutional Hydrotherapy Healing IS natural By supporting the patient s own healing abilities with the tried and true methods employed by Dr Otis G Carroll Dr Harold Dick and currently used by Dr Letitia Dick Kronenberg Naturopaths can achieve the deepest healing for their patients This text includes in depth explanation of the variations of Constitutional Hydrotherapy used in a clinical setting as well as accompanying diagnostic and therapeutic procedures utilized in a Classical Naturopathic practice Clinical patient cases are discussed along with philosophy and case management

Case Studies for Complementary Therapists Kelly Galvin, Madelaine Bishop, 2010-12-20 This book provides support at curriculum level for developing the complementary potential which exists between complementary and conventional western medicine It provides students teachers and practitioners with a framework within which they can effectively analyse and classify the extensive amount of information gathered in a CAM consultation and help them develop effective and appropriate treatment programmes within the time constraints of a busy clinic It provides an insight into the initial CAM consultation process offering possible treatment and collaborative referral options for individual cases rather than dictating diagnostic analysis or treatment protocols for specific conditions Question suggestions have been provided to help the user collect the

necessary information to develop a working diagnosis and treatment protocol for each individual case Readers can then adapt questions decision making tools and therapeutic recommendations to suit the needs of their own clients

Complementary practitioners are often uncertain about the legal and ethical boundaries regarding diagnosis and case management This book will help CAM students and practitioners recognise situations requiring referral understand their role in collaborative case management and confidently integrate a range of CAM modalities in treatment programmes Provides a clear case analysis format which can be and adapted to suit the requirements of individual case histories Specific questioning format Clearly identifies situations where cross or collaborative referral is necessary Decision tables help readers prioritise treatment refer appropriately and help guide clinical thinking when readers are faced with several treatment options Class tested curriculum based
