1. If a defect is noticed in manufacturing or found on the customer trailer it is reported during the warranty period. Loading will repair or replace any part in compliance of the unit in year which fails in conflict to the warranty during the warranty period.
2. The warranty will start on the date of the unit's assembly registration form from the initial Customer and will expire after 10 months from passed or 1000 hours on the service meter from ever assembled whichever gives the most. Engines bearing other manufacturers' trade marks are warranted by those manufacturers and may have warranty coverage that differs from that of Cummins.
3. Replacement parts furnished by the loading company to the customer are covered by the remainder of the warranty period applicable to the unit or component in which such parts are installed. Replacement parts have no separate warranty coverage.
4. Loading has the right to make any component of part failure replacing it with a new part.
5. All materials used be replaced during normal service hours only.
