Maximizing Kingdom Strategies

Volume 3

Helping Develop Your
Church For a Greater Impact

Dr. Michael Penn

- Are you just living life or are you living it to the MAX?
- Do you have a strategic plan for your ministry?
- Are your ministry decisions proactive or reactive?
- Do you feel like your ministry is losing momentum?
- Is your leadership team effective?
- Does your ministry exemplify Christian integrity?
- Are you maximizing your expectations?

"God has grown our ministry in a very rural area from 200 members to thousands."
For a dream comes with business and painful effort, and a fools voice with many words.

Social Medicine Reader, Volume I, Third Edition Jonathan Oberlander, Mara Buchbinder, Larry R. Churchill, Sue E. Estroff, Nancy M. P. King, Barry F. Saunders, Ronald P. Strauss, Rebecca L. Walker, 2019-05-31 The extensively updated and revised third edition of the bestselling Social Medicine Reader provides a survey of the challenging issues facing today's health care providers, patients and caregivers by bringing together moving narratives of illness, commentaries by physicians, debates about complex medical cases and conceptually and empirically based writings by scholars in medicine, the social sciences and the humanities. Volume 1: Ethics and Cultures of Biomedicine contains essays, case studies, narratives, fiction and poems that focus on the experiences of illness and of clinician-patient relationships. Among other topics, the contributors examine the roles and training of professionals alongside the broader cultures of biomedicine, health care experiences and decisions regarding death, dying and struggling to live, and particular manifestations of injustice in the broader health system. The Reader is essential reading for all medical students, physicians and health care providers. *Islamic Business and Performance Management* Achmad Firdaus, Khaliq Ahmad, 2023-05-31 This unique book discovers a new dimension in the study of strategic and performance management in Islamic Business studies. It addresses the missing link of spirituality from modern-day organizational structure in the presence of high-tech pressure in all areas of human endeavours. The authors propose an integrated study of Islamic business approach to strategic and performance management systems to achieve sustainable organizational performance. The book explores employees' wellbeing and organizations perceiving work environment as a spiritual pathway to cultivate values in Islamic business ecosystem to sustain humanity. It is all about care, empathy and sustenance of others, about truthfulness and management being truthful to themselves and others, and endeavouring to live their values more effusively while performing their work. The book stresses the impact of spirituality in performance management, concluding that for any organization to run efficiently, spirituality is the core component to attain happiness, contentment and success. The book will be of interest to a variety of management scholars, including those researching and studying performance management, talent management, strategic management and business ethics.
