Murder In Paradise Oaks:

Murder in Paradise Oaks Ronald Martin, 2015-01-03 Sheriff Bob Enoch keeps the peace in the small community of Paradise Oaks. Finally given the green light to clean up a years old automobile crash site of an apparent suicide a broken piece of jewelry near the site has the sheriff investigating the truth behind the accident. As the sheriff discovers more evidence and follows the mysterious leads things quickly shift into a homicide investigation when a material witness turns up murdered. Then more bodies turn up dead. How are these people connected and who is responsible? The sheriff knows the clock is ticking. A lunatic killer is on the loose and must be stopped before he strikes again. No one is safe and everyone is a suspect. Will the sheriff finally track down the killer? And will this small community ever be the same? Filled with mystery and suspense *Murder in Paradise Oaks* is a fast paced high octane thriller filled with surprising twists and turns that will keep you guessing until the final shocking climax.

Crucial Errors in Murder Investigations Ted Duhs, 2016-08-29 Why is it that some people are convicted of murders that they did not commit while others are not convicted of murders that they did commit? Australian Police Services are generally well funded so something more must be involved. Just what that is is investigated in this book. To minimise the prospect of future errors we need both to scrutinise past cases where errors have been revealed and to investigate police training procedures with a view to uncovering any errors of omission or commission to see what scope there is for improvements. Each of us has good reason to take an interest in such matters since any one of us could be a victim if we are in the wrong place at the wrong time. In fact all of us are victims to the extent that some guilty parties continue to walk free on our streets and as taxpayers all of us fund the additional costs of dealing with crime including the sizeable compensation payments that are made to those whose wrongful convictions are quashed. This book deals with instructive cases which continue to agitate the public mind and makes practical suggestions for improved procedures.

THE GREEN OAK BOYS in The Quest for The Fullness of Life - An Adventure (Book 1) Herbert Ray Pitre, 2018-02-18 *The Green Oak Boys* is for the young people of today yet can be enjoyed by everyone. These short stories are to reach our youth with common down home lessons of life which in no way speak bad against today's technology. These stories are written to strengthen and restore the values and moral principles needed for a better productive system. As a society we need to unclog the arteries of their imaginations and allow the bliss of true freedom to flow passionately as it should to take them to uncharted places of their true making not just from a computer. In the book *The Green Oak Boys* there is adventure imagination and stories of true ways of Living Life To Its Fullness. You will not regret reading this book it will bring you to places you've never been before.

Loose Leaves & Oak Trees Charles Knause, 2015-05-26 A collection of articles and essays dealing with some aspect of current world events and my analysis of these events from a perspective other than the official narrative. This book also includes a number of philosophical essays dealing with some of the age old and timeless questions of what it means to be human.
