<i>(Set a purpose for reading)</i> Help students to make connections using the KWL connecting activity about the chapter by modeling how to fill in the "What I Know" and "What I Want to Know" columns. Teach and students will leave the "What I Learned" column blank. 1. Teacher will model and think-aloud for just one item in the first two columns. 2. Each student will then fill-in for their "What I know" and "What I want to know" columns. 3. If time permits, ask a few students to share items in their first two columns. Let the student know that they will complete the chart after they read the chapter. <i>(Differentiate by providing</i>	<i>(Circle One)</i> Popcorn Independent Shared/Partner Silent Choral <i>(Every student should read every word!)</i> Popcorn: Teacher randomly calls on each student to read out loud while the others follow along silently Choral- Class reads out loud together Silent/Independent- Students each read the same material silently, then the teacher checks comprehension periodically Shared/Partner- One partner reads out loud as the other reads along silently then they switch roles.	<i>This reinforces the purpose you set for reading the book!</i> Review the KWL information listed prior to reading. 1. Teacher models in filling in just one "What I learned" on the KWL chart. 2. Student will finish their KWL chart by filling in the "What I learned" column.
