## General Movie Discussion Questions:

Movies as History Marie L. Aquila, 2014-04-22 Popular movies can enhance the study of history. A dominant form of entertainment throughout the 20th century, they can serve as nontraditional primary sources and offer remarkable opportunities to observe attitudes about social concerns, gender, or racial issues, politics, and historical events that were current when the movies were made. This book is a topical guide for educators providing detailed analysis of 35 movies followed by discussion questions that will help students interpret how each movie's content and themes reflect the times when it was made. The book covers four main topics: the Great Depression, World War II, the early years of the Cold War, and the changing expectations and images of women in movies from 1930 to 1970. An historical overview chronicles how each topic was treated in movies from that time period. The movies should have wide appeal in grades 7 through 12 and can help students learn to think more critically about the images and messages that appear in popular media today. **The Movie Lovers' Club** Cathleen Rountree, 2011-02-09 Large screen TVs and full line DVD services have liberated movie lovers from fear of parking and stale popcorn. Across the country, movie lovers are staying in and creating their own version of book clubs but without the homework. The Movie Lovers Club, the only guide for movie nights with friends, motivates readers to form their own Lovers Club clubs to explore the more than 100 excellent film suggestions, summaries, critical reviews, and insider anecdotes. Author Cathleen Rountree offers a year's worth of must-see classic, contemporary, independent, and foreign films and provocative discussion questions to keep the cinematic conversation lively. With everything readers need to know to start a Movie Lovers Club, the book's selections run the gamut and include powerful films such as *To Kill a Mockingbird*, *Henry and June*, and *Real Women Have Curves*. Whether you need advice for a political group, a girls' night out party, or a band of indie film devotees, movie watching reaches new depths with ideas on where, when, and how to launch a film group. A Year in the Life of an ESL Student Edward Francis, 2010-11-15 Originally published Victoria B.C. Trafford 2004. **Moral Theory at the Movies** Dean Kowalski, 2011-12-08 Moral Theory at the Movies provides students with a wonderfully approachable introduction to ethics. The book incorporates film summaries and study questions to draw students into ethical theory and then pairs them with classical philosophical texts. The students see how moral theories, dilemmas, and questions are represented in the given films and learn to apply these theories to the world they live in. There are 36 films and a dozen readings including *Thank you for Smoking*, *Plato's Gorgias*, *John Stuart Mill's Utilitarianism*, *Hotel Rwanda*, *Plato's Republic*, and *Horton Hears a Who!* Topics cover a wide variety of ethical theories including ethical subjectivism, moral relativism, ethical theory, and virtue ethics. Moral Theory at the Movies will appeal to students and help them think about how philosophy is relevant today. **God in the Movies** Catherine M. Barsotti, Robert K.
