Generals Die In Bed:

Generals Die in Bed Charles Yale Harrison, 2007 First published London N Douglas 1930 New York Morrow 1930

Generals Die in Bed Charles Harrison, 2004 Drawing on his own experiences in the First World War Charles Yale Harrison tells a stark and poignant story of a young man sent to fight on the Western Front It is an unimaginably harrowing journey especially for one not yet old enough to vote In sparse but gripping prose Harrison conveys a sense of the horror of life in the trenches Here is where soldiers fight and die entombed in mud surrounded by rats and lice forced to survive on insufficient rations Harrison captures the only kind of humour possible under the circumstances of life on the Western Front dark and sardonic a mingling of comedy and horror **Generals die in bed** Charles Yale Harrison, 1930 **Generals Die in Bed** Charles Yale Harrison, 2009 A stark and poignant story that brings to life the fight on the Western Front during the First World War through the eyes of a twenty year old narrator This is the story of a young soldier and his disillusionment when facing the horror and inhumanity of war *Generals Die in Bed [sound Recording]* Charles Yale Harrison, 1977

Skills Mania Bob Davis, 2000 In Skills Mania Bob Davis argues passionately that the emphasis in the secondary school classroom must shift from a technocratic skills based approach to teaching and discussion that focuses on real substantive issues He also calls for a new emphasis on the teaching of history a practice that has been sadly lacking in recent years Two central qualities warm up this book first the story is told through the author's own teaching and second the author presents us with an original and frank point of view This is a stirring engaged and practical book **Death So Noble** Jonathan Franklin William Vance, 1997 Examines the ways in which Canadians remembered and celebrated their participation in WWI viewing the war as a cultural and philosophical force as opposed to a political and military event Looks at the country's mythical reconstruction of the war and recounts how the myth's proponents responded to conflicting visions of the war Touches on the symbolism of the soldier Canadian nationalism and the idea of a just war drawing on memoirs newspaper reports and popular culture Includes bandw photos Annotation copyrighted by Book News Inc Portland OR Charles Yale Harrison's Generals Die in Bed Ross Walker, 2005 **Progressive Heritage** James Doyle, 2006-01-01 Most critics and literary historians have ignored Marxist inspired creative literature in Canada or dismissed it as an ephemeral phenomenon of the 1930s Research reveals however that from the 1920s onward Canadian creative writers influenced by Marxist ideas have produced a quantitatively substantial and artistically significant body of poetry drama fiction and non fiction This book traces historically and evaluates critically this tradition with particular emphasis on writers who were associated with or sympathetic to the Communist Party of Canada After two chapters surveying the work of anti capitalist writers of the nineteenth and early twentieth centuries the book concentrates on the development of Marxist inspired writing from the 1920s to the end of the twentieth century Besides devoting attention to both social and theoretical backgrounds this study provides critical commentary on work by prominent writers who spent part of their literary careers as Communist Party

members including Dorothy Livesay Patrick Anderson Milton Acorn and George Ryga as well as less well known but more fervent Communists such as Margaret Fairley Dyson Carter Joe Wallace Stanley Ryerson and Jean Jules Richard Although primarily concerned with the older generation of Marxists who flourished between the 1920s and the 1970s the book also includes a chapter on the post 1970s New Left Evangelical Century Michael Gauvreau,1991 The Evangelical Century will undoubtedly transform the way Canadian intellectual history is interpreted Michael Gauvreau reassesses the explanations of the role of religion in English Canadian society put forth in the last twenty years by Ramsay Cook A B McKillop and Richard Allen and makes an important contribution to our understanding of the relationship between theology culture and society

Generals Die in Bed Charles Harrison,2002-01 A young soldier with the Canadian forces questions the meaning of heroism of truth and of good and evil as he describes life in the trenches during World War I *We Wasn't Pals* Barry Callaghan,Bruce Meyer,2001 Ignored by critics and readers of the time these poems were written by Canadians who witnessed the horror of World War I first hand forming an anthology in which the forgotten experiences of a decade are finally remembered **The Suburb of Dissent** Caren Irr,1998 A study of a range of leftist literature of the 30s in its cultural milieu **Generals Die in Bed** Charles Yale Harrison,2007 **A History of Canadian Literature** William H. New,William Herbert New,2003 New offers an unconventionally structured overview of Canadian literature from Native American mythologies to contemporary texts Publishers Weekly A History of Canadian Literature looks at the work of writers and the social and cultural contexts that helped shape their preoccupations and direct their choice of literary form W H New explains how from early records of oral tales to the writing strategies of the early twenty first century writer reader literature and society are interrelated New discusses both Aboriginal and European mythologies looking at pre Contact narratives and also at the way Contact experience altered hierarchies of literary value He then considers representations of the real whether in documentary fantasy or satire historical romance and the social construction of Nature and State and ironic subversions of power the politics of cultural form and the relevance of the media to a representation of community standard and individual voice New suggests some ways in which writers of the later twentieth century codified such issues as history gender ethnicity and literary technique itself In this second edition he adds a lengthy chapter that considers how writers at the turn of the twenty first century have reimagined their society and their roles within it and an expanded chronology and bibliography Some of these writers have spoken from and about various social margins dealing with issues of race status ethnicity and sexuality some have sought emotional understanding through strategies of history and memory some have addressed environmental concerns and some have reconstructed the world by writing across genres and across different media All genres are represented with examples chosen primarily but not exclusively from anglophone and francophone texts A chronology plates and a series of tables supplement the commentary Canadian Literature in English W. J. Keith,2006 W J Keith has chosen to ignore utterly both the popular at the one extreme Robert Service Lucy Maud Montgomery as well as

the avant garde at the other bpnichol Anne Carson in favour of those authors whose style lends itself to the simple pleasure of reading and to that end Keith dedicates his history to all those including those of the general reading public whose endangered status is much lamented who recognize and celebrate the dance of words **Generals Die in Bed** Gael Butler,2005
