Journey to a Healthier You Carol Angle, 2003 Journey to a Healthier You clarifies the diet and nutrition jargon that can be an obstacle to achieving a healthy lifestyle In an easy to read format this book overcomes the confusion and contains twelve simple steps to make your lifestyle healthier Each Chapter focuses on a different step uses uncomplicated language to explain why it is necessary to take that step and contains a lot of simple ideas to help accomplish your goal This book is the result of the author s personal triumph over her son s failing health Carol Angle s oldest son was

diagnosed with a severe heart condition at six months old and was sent home from the hospital with strict instructions not to let him catch a cold In a seemingly impossible task to keep her son alive and healthy Carol started her family on the road to a healthier lifestyle The results of her quest have been consolidated into this book in an attempt to inspire others who also want to improve their health The purpose of this book is to provide every reader with the tools they need to successfully tailor their own lifestyle to be as healthy as they desire The author recognizes that every individual is unique things that work for one person will not work for everyone The book lets you choose which ideas work best for you at this moment in your life because everyone is different and everyone is at a distinct point in their journey towards good health Your choices will lead you at your own speed at your own comfort level down your own path for a lifetime of improved health In today s fast paced environment it is hard to find the time to eat properly and make healthy choices But everyone has the capacity to achieve a healthy lifestyle This book simplifies the process by giving you uncomplicated choices and quick tips for creating healthy habits for life Even in today s busy lifestyle Good health to you Dinner with Dad Cameron Stracher,2008-08-19 In a heartwarming insightful memoir a harried working father describes how driven by a lack of communication with his wife a lack of connection with his children and his emphasis on work over family he made the decision to make sure that he would be home at six p m to enjoy a healthy meal with his family five nights a week for the next year Reprint **Sally Sharp** Patty Polasky,Thresia Pierce,2002-10 **All There Is** Kathleen Bsl Lawrence,2013-05-22 Jackie Christopher a devoted mother and wife lives a quiet suburban life She has a comfortable home good friends and all the Pinot Noir she can drink It is enough on most days But her domestic tranquility is shattered when she attends her 15 year college reunion and is reacquainted with Charlie Wade her first true love Jackie has often secretly wondered how her life might have turned out differently if tragedy had not intervened In seeing Charlie again it is as though Jackie leaps across time and is intensely alive again for the first time in years But at what cost Jackie is torn between her commitment to her family and Charlie As Jackie struggles to make peace with her life the Sixth Sense like plot twist reveals how the seemingly disjointed pieces of her past are connected to the present if only she looks deeply enough Written with humor and grace you will laugh with Jackie and you will cry with her too All There Is is that good a story **The Blessings of Poverty** Diane Boone,2013-07-25 To being with please understand that I do realize how paradoxical the title of this work may seem In fact I can hear the astonished question you may be asking just now Povertya blessing How can that be Well lets go to the dictionary and see if the definition of the word blessing can help answer that question In Websters New Collegiate Dictionary we find the following entry next to the word blessing a thing conducive to happiness or wellbeing Most of us are so focused on the happiness part of the definition that we only see Gods hand of blessing when were happy we forget that not everything conducive to our wellbeing makes us feel happy Just as a loving parent will bless their child with both comforts and discipline so God blesses us with both comforts and challenges As I look at the lives of my family and myself I can see how God has strengthened our walk with Him through our financial

struggles Because of this fact I say with assurance that financial struggles can be used of the Lord to truly bless us Next I want to ask you to take my use of the word poverty with the proverbial grain of salt as my intent is to use the term in a very tongue in cheek manner Ive actually heard of individuals complaining because they have to choose between landscaping their newly built home or taking a second vacation this year or lamenting the fact that times are so hard they have to cut their annual vacation to Hawaii from the usual four weeks to only two weeks The truth is many many people sharing our world would be ecstatic to have the standard of living that most of us are enjoying So viewed from their perspective wouldnt it seem that if we have a roof over our heads proper clothing to wear and eat three meals a day were doing pretty well for ourselves Its also true that God has spread His children throughout the world in different cultures with different gifts and with different incomes There is nothing wrong with having a comfortable income or owning lovely things And there is certainly nothing wrong with working hard to provide for your family In fact many Godly people mentioned in scripture had a great deal of wealth Abraham Isaac Joseph Job King David and Joseph of Arimathia are just a few that spring to mind There are also many Godly people mentioned in scripture who had very little wealth Mary Joseph the beggar Lazarus the widow with her two mites and our Lord Himself There is nothing inherently more spiritual with one state or the other Those with wealth need to thank God most sincerely for what they do have and to beware of falling into the trap of pride look at me and how successful Ive been And its been very interesting for me to realize that those with modest incomes also need to thank God most sincerely for what they do have and to beware of falling into the trap of pride look at me getting along on a small income must somehow make me more spiritual than the wealthy Did you know that when the Lord was on earth one of His most frequent topics of discussion was money He never condemned wealth He condemned the preoccupation with wealth and the belief that a persons worth or security comes from amassing huge amounts of wealth Regardless of whether we have a large amount of this worlds goods or a small amount it all belongs to God We need to use whatever we do have to further Gods kingdom and honor Him by caring for our families and reaching out to those in need And all of us need to embrace the truths found in Matthew 6 25 34 and find our security in the wonderful care of our loving Heavenly Father I myself was raised in a Christian home by parents who were quite well off financially I just never realized it until I was almost finished with high school Im sure this is partly because Im not a very visual person so I tended not to notice or compare things as much as others But I really think that it wa
