

Holes has something called FLASHBACKS. In the middle of the story, FLASH! We are zapped back in time and find out things that happened a long time ago that are important to Stanley, even though he doesn't know it. We don't really know how they will be important—but we can make inferences about them.

Whenever there are blank lines on a page, ask yourself “why”? Usually the setting is changing to a different time or place, or a lot of time passes by. Sometimes the pause is because something very important has happened or been said.

In Chapter 7, what is the setting (time and place) of the flashback?

Why is the pig important to this flashback story?

Theme: Perseverance

Madame Zeroni gives Elia advice about the girl he loves. She tells him to do something. Why is Elia going to need perseverance to do as Madame Zeroni asks?
