Garner,2010 Based on forty years of extensive experience the author draws on current knowledge to provide a thorough overview of the highs and lows of the job The book provides practical common sense advice for doing the multitude of jobs the chief faces with effectiveness and efficiency It furnishes sound advice intended to help the chief retain his physical

emotional and ethical health while leading a professional law enforcement agency Chapter topics include advice on taking control of the police department and setting the agenda in place emphasizing the extreme importance of role modeling the behavior that the chief expects of his people the requirements for a productive relationship with the chief OCOs top staff exploring the multifaceted relationship a chief has with his employees guidelines for managing relations with the various factions that make up the community getting along with the boss discipline and the role of the chief in this vital process deciding on a course of action when things go wrong the death of a police officer officer involved shootings misconduct and a good working relationship with the media Each chapter concludes with OC Points to Remember OCO that will be beneficial to the new police chief in order to avoid previous mistakes and build on the body of knowledge that constitutes professional law enforcement leadership This resource will be invaluable to all law enforcement professionals policymakers and police academics

Congressional Record United States. Congress, 1999 *Drug Enforcement* United States. Congress. Senate. Committee on the Judiciary, 1990 *National Consultation on Safety and Force*, 1980 The proceedings of the National Consultation on Safety and Force held on December 11 13 1979 are presented in the report The consultation highlights the concern of the Community Relations Service an arm of the Department of Justice with the issue of alleged police use of excessive force The consultation objectives were to identify key issues and problems related to police minority community relations to explore alternatives and solutions to the problem and to develop a working trilateral black Hispanic police relationship geared toward crisis response and problem solving The opening remarks addressed the need for an approach to developing a better understanding between minorities and law enforcement agencies Four case studies in Colorado California Washington and Texas were presented to illustrate successful community police efforts to increase safety and reduce the use of police force A small group session considered eight questions regarding issues in race relations police use of force and options to reduce the use of force Panel discussions considered options for both the police and for community groups on reducing tension and conflict which could lead to the use of excessive force Other panel discussions considered special problems in municipal liabilities which arise from the increasing number of civil suits based on alleged police brutality special problems of nonurban police departments and the obstacles and opportunities to progress in the area of police use of excessive force An audio visual presentation provided a training demonstration of police officers under stress

WHY COPS DIE (And How to Prevent It) Gerald W. Garner, 2017-10-30 This book provides time and experience proven advice for responding safely and effectively to threats to a law enforcement officer's safety It relies on law enforcement's bloody history to reveal what has gone wrong for a very long time and how to fix it so that no more cops die needlessly This book identifies the cop killers and the fatal errors that cops make and it explores how these incidents happen and why Most important of all the book goes into detail about how to prevent these terminal errors and furnishes to the point advice for avoiding them These tactics and techniques work It offers the same common sense advice that solid patrol

sergeants have been sharing with their briefing room charges for a long while It has been assembled by a police chief who spent 15 years as a sergeant WHY COPS DIE can be used in a lot of ways all of them useful for drastically reducing the number of officers who die on the job every year It should be issued to every law enforcement academy recruit It is aimed across the spectrum of the law enforcement organization from the rookie to the first line supervisor to the command staff Chiefs and sheriffs will find it of value as will those directly responsible for the training of law enforcement officers By applying practical potentially lifesaving advice to their daily duties law enforcement fs first line practitioners can sharply reduce the number of peacekeepers who die or are maimed in the future That effort begins here
