Stueck,2005 In 1955 the Fortune magazine list of America s largest corporations included just 18 with headquarters in the

Southeast By 2002 the number had grown to 123 In fact the South attracted over half of the foreign businesses drawn to the

United States in the 1990s The eight original essays collected here consider this stunning dynamism in ways that help us see

anew the region s place in that ever accelerating transnational flow of people capital and technology known collectively as

globalization Moving between local and global perspectives the essays discuss how once faraway places like Latin America

Asia Africa and the Indian Subcontinent are now having an impact on the South One essay for example looks at a range of

issues behind the explosive growth of North Carolina s Latino population which grew by almost 400 percent during the 1990s

miles ahead of the national growth percentage of 61 In another essay we learn why BMW workers in Germany frustrated

with the migration of jobs to South Carolina refer to the American South as our Mexico Showing that global forces are often

on both sides of the matchup reshaping the South but also adapting to and exploiting its peculiarities many of the essays

make the point that although the new ethnic food section at the local Winn Dixie is one manifestation of globalization so is

the wide ranging export of such originally southern phenomena as NASCAR and Kentucky Fried Chicken If a single message emerges from the book it is this Beware of tidy accounts of worldwide integration On one hand globalization can play to southern shortcomings think of the region s reput as a source of cheap labor on the other the influx of new peoples customs and ideas is poised to alter forever the South s historic black white racial divide *Computerworld* ,1979-10-15 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network **Popular Photography** ,1996-08
