**Complete Martial Arts Training Manual** Ashley Martin, 2012-04-16 The Complete Martial Arts Training Manual is a complete guide for anyone who has an interest in the martial arts. Having a broad knowledge of the various techniques of the martial arts gives a martial artist an expanded ability to counteract a variety of attacks and overwhelm an opponent's defenses. Author Ashley Martin shares with the reader his years of experience as a practitioner and teacher. He provides a catalog of the various martial arts being taught worldwide and their strengths and weaknesses. He then covers the basics of hand-to-hand techniques within each of those disciplines, from strikes to ground fighting. Finally, he offers information on the overall health and well-being of the martial artist, including important nutritional information and stretching techniques. The Complete Martial Arts Training Manual is a solid foundation of martial arts for beginners and a key supplement for the veteran martial artist.

Although the Revised Expanded Third Edition contains all the wording and photographs that are reproduced in both the first edition as well as this Revised and Expanded Second Edition it comparatively represents a step into what was for these latter two books the future The year 2019 in which I am writing this foreword represents respectively 30 years and 20 years into the future since the publication of these two books so I think this faithful reproduction of the Master Version by Q I Publications is well timed For some readers it might bring about nostalgia for others it might be an eye opener into a world that is not always truthfully represented due to commercial or other reasons For the teachers who I interviewed and have been embodied herein I hope this Master Version will remain a testament into how they wished to be represented for time immemorial
