Kssats Test Crocodiles:

The American Biology Teacher, 1958 **The Monkey-Proof Box** Jonathan Lear, 2019-03-15 Written by Jonathan Lear

The Monkey Proof Box Curriculum design for building knowledge developing creative thinking and promoting independence is a manifesto on how to dismantle the curriculum we re told to deliver and construct in its place the curriculum we need to deliver A group of monkeys A box full of nuts A lever A chute The monkeys excitedly poke at the box with rocks nothing happens Meanwhile one monkey sits to the side observing Then when the others wander off he gets up and with a curious push of his palm presses the lever and the nuts tumble down the chute Not believing his luck he eats the nuts presses the lever again and is rewarded with yet more nuts He s cracked the challenge of the monkey proof box In their early years children experience a world full of monkey proof boxes it s a time of discovery observation and experimentation as they engage in the frustration and joy of learning how to release life s nuts Then as they progress through school learning becomes more formal easier in many ways The nuts are handed to them on a plate and something important is lost But it doesn t have to be that way In this absorbing book Jonathan sets out how primary school teachers can resist the nuts on a plate approach and deliver a curriculum rich in authentic learning experiences that help children learn from one another and grow into empowered knowledgeable and creative thinkers who are driven by insatiable curiosity In doing so he inspires educators to unclutter their classrooms of the latest shiny initiatives and to foster a more refined pedagogical approach incorporating elements of facilitated and concept based learning that simply improves pupils learning Suitable for teachers middle leaders and head teachers in primary school settings Contents include Part I Curriculum 1 Slippers 2 Less is more 3 Skills 4 Tightrope walking 5 Planning 6 Love and hugs Dave C 7 Softly softly catchee monkey 8 Hitches and hiccups Part II Pedagogy 9 Monkey sex 10 Rapid and sustained nonsense 11 Nuts on a plate 12 Nuts scattered in a clearing 13 Across the curriculum 14 The awkward banana 15 Caveman Dave and the TARDIS 16 Mastery and independence 17 The monkey proof box 18 A spanner in the works 19 Freedom *Journal and Debates* Missouri.
