Michael Higginbotham,2013-03-18 Higginbotham provides a thoughtful and perceptive discussion on the role of race in America today His keen legal analysis and compelling narrative has resulted in a fascinating examination of how far we have come as a nation but more importantly of how far we have to go Barbara A Mikulski U S Senator for Maryland When America inaugurated its first African American president in 2009 many wondered if the country had finally become a post

racial society Was this the dawning of a new era in which America a nation nearly severed in half by slavery and whose racial fault lines are arguably among its most enduring traits would at last move beyond race with the election of Barack Hussein Obama In Ghosts of Jim Crow F Michael Higginbotham convincingly argues that America remains far away from that imagined utopia Indeed the shadows of Jim Crow era laws and attitudes continue to perpetuate insidious systemic prejudice and racism in the 21st century Higginbotham s extensive research demonstrates how laws and actions have been used to maintain a racial paradigm of hierarchy and separation both historically in the era of lynch mobs and segregation and today legally economically educationally and socially Using history as a roadmap Higginbotham arrives at a provocative solution for ridding the nation of Jim Crow s ghost suggesting that legal and political reform can successfully create a post racial America but only if it inspires whites and blacks to significantly alter behaviors and attitudes of race based superiority and victimization He argues that America will never achieve its full potential unless it truly enters a post racial era and believes that time is of the essence as competition increases globally F Michael Higginbotham is the Wilson H Elkins Professor of Law at the University of Baltimore School of Law He is the author of Race Law Cases Commentary and Questions **Western Banker** ,1929 **The National Union Catalogs, 1963-** ,1964 **The National Union Catalog, Pre-1956 Imprints** Library of Congress,American Library Association.
