LIFE ORIENTATION MARKING GUIDE

INSTRUCTIONS TO MARKERS

1. Please mark according to the provincial examination guideline.
2. Consider all realistic / relevant answers.
3. Do not expand the memorandum with your own answers as this is a common provincial task and should assist in fair and valid assessment across the province.
4. Adhere to the memorandum throughout the marking process as the questions are content specific and answers should reflect the content taught and assessed.
5. Mark accurately and always check all calculations and transfer of marks.
6. At least 10% of all answer scripts should be remarked by the HOD / senior teacher as part of the post-moderation process.
7. Remember we are working with learners' futures, so let us be fair, valid and just in assessing their work.

This marking guide consists of 7 pages.

social workers who have access to relevant and timely scholarly materials in order to meet the needs of those facing these issues. The social psychological and biological factors resulting from these issues determine the level of a person's mental health at any given point in time and it is necessary for social workers to continue to evolve and develop to the new faces and challenges of the times in order to adequately understand the effects of these issues. In the first and second editions of the Social Workers Desk Reference the changes that were occurring in social work practice education and research were highlighted and focused upon. This third edition continues in the same tradition and continues to respond to the changes occurring in society and how they are impacting the education research and practice of social work as a whole. With 159 chapters collaboratively written by luminaries in the profession this third edition serves as a comprehensive guide to social work practice by providing the most recent conceptual knowledge and empirical evidence to aid in the understanding of the rapidly changing field of social work. Each chapter is short and contains practical information in addition to websites and updated references. Social work practitioners, educators, students, and other allied professionals can utilize the Social Workers Desk Reference to gain interdisciplinary and interprofessional education practice and research.
